The Road to Plenty

"This book presents a picture of the yearning for food and clothing, shelter and health, and the desperate struggle for the things which are the basis of life. Nothing in this world and no man can help the human race. The book is a practical study and a practical analysis. It shows in our day the struggle for the things which are the basis of life."

"Moreover, this book is a picture of a world started to work in order and to the benefit of all, along with an attempt to show the way to a better world."

"I believe this book will help a better world."
