Security Project Report ,2002 **Decolonizing the Map** James R. Akerman,2017-06-16 Almost universally newly independent states seek to affirm their independence and identity by making the production of new maps and atlases a top priority For formerly colonized peoples however this process neither begins nor ends with independence and it is rarely straightforward Mapping their own land is fraught with a fresh set of issues how to define and administer their territories develop their national identity establish their role in the community of nations and more The contributors to Decolonizing the Map explore this complicated relationship between mapping and decolonization while engaging with recent theoretical debates about the nature of decolonization itself These essays originally delivered as the 2010 Kenneth Nebenzahl Jr Lectures in the History of Cartography at the Newberry Library encompass more than two centuries and three continents Latin America Africa and Asia Ranging from the late eighteenth century through the mid twentieth contributors study topics from mapping and national identity in late colonial Mexico to the enduring complications created by the partition of British India and the racialized organization of space in apartheid and post apartheid South Africa A vital contribution to studies of both colonization and cartography Decolonizing the Map is the first book to systematically and comprehensively examine the engagement of mapping in the long and clearly unfinished parallel processes of decolonization and nation building in the modern world **Rabinal Achi** Dennis Tedlock,2003-09-04 Here is one of the most important surviving works of pre

Columbian civilization Rabinal Achi a Mayan drama set a century before the arrival of the Spanish produced by the translator

of the best selling Popol Vuh The first direct translation into English from Quich Maya based on the original text Rabinal Achi is the story of city states war and nobility of diplomacy mysticism and psychic journeys Cawek of the Forest People has been captured by Man of Rabinal who serves a ruler named Lord Five Thunder Cawek is a renegade a warrior who has inflicted much suffering on Rabinal Yet he is also the son of the lord of the allied city of Quich a noble who once fought alongside Man of Rabinal The drama presents the confrontation between the two during the trial of Cawek who defies his captors and proudly accepts death by beheading Dennis Tedlock s translation is clear and vivid more than that it is rooted in an understanding of how the play is actually performed Despite being banned for centuries by Spanish authorities it survived in actual practice and is still performed in the town of Rabinal today Tedlock s photographs and diagrams accompany the text capturing nuances not apparent in the dialogue alone He also provides an introduction and commentary that explain the historical events compressed into the play the Spanish influence on the Mayan dramatic tradition and the cultural and religious world preserved in this remarkable play Rabinal Achi ranks as a classic of Mayan literature and a rare window on a world that had yet to be invaded by Europeans Dennis Tedlock brings this drama to life in all its richness *Mexico & Central American Handbook* Ben Box,1995 **Building the King's Highway** Bruce A. Castleman,2005-04 Focusing on the camino real linking Mexico City and the port of Veracruz Castleman has written a social history of road construction laborers in late Bourbon Mexico He has drawn on employment and census records to study a major shift in methods used by the Spanish colonial regime to mobilize the supply of unskilled labor and concomitant changes in the identities those laborers asserted for themselves By linking census and employment records he uncovers a host of social indicators such as marriage preference family structure and differences over time in how the caste system was used to classify people according to ancestry His work provides a valuable new perspective on people s lives as it advances our understanding of labor in late colonial Latin America
