Kennedy** The Editors of TIME,2018-05-11 He was a man of seeming contradictions Born to great wealth Bobby Kennedy made common cause with the least fortunate Initially viewed as ruthless over time he became deeply concerned with the plight of others and he struggled to find realistic political solutions to their problems He loved a crusade and in his early years in public life he opposed communism corrupt labor union leaders and organized crime Later he found larger more complex targets to address racism poverty institutional indifference Most important he challenged all of us to join him not simply in imagining a better world for all but in doing the difficult everyday work of making those visions reality Fifty years after Bobby Kennedy s assassination celebrate his legacy with this special edition TIME Robert F Kennedy **Summary of Robert F. Robert Kennedy James Hilty, 2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power

In His Own Right Joseph A. Palermo, 2001-05-07 Robert Kennedy's role in American politics during the 1960s was pivotal yet has defied attempts to define it He was a junior senator from New York but he was also much more The public perceived him as possessing the intangible qualities of his brother the slain president From 1965 to 1968 Kennedy struggled to find his own voice in national affairs In His Own Right examines this crucial period of Robert Kennedy's political career combining the best of political biography with a gripping social history of the social movements of the 1960s How did Kennedy make the transformation from cold warrior to grassroots activist from being a political operator known for ruthlessness toward his opponents to becoming by 1968 a tribune of the underclass Based on never before seen documents this intimate portrait of one of the most respected politicians never elected president describes Robert Kennedy's relationship with such well known activists and political players as Benjamin Spock Eugene McCarthy
