Robert Liddell, 1969 *The Novels of Jane Austen* Robert Liddell, 1963 Encyclopedia of British Writers Christine L.
Krueger, 2014-07 This concise encyclopedic reference profiles more than 800 British poets *An Introduction to the English Novel - Volume One: Defoe to George Eliot* Arnold Kettle, 2011-11-03 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Novelists on the Novel** Miriam Allott, 2023-03-08 First published in 1959 Novelists on the Novel makes an attempt to set out fully what novelists both major and minor have to say about the practice of their art It draws on the experience of English French and Russian novelists so that the general reader and the more serious literature student can find out what they have to say about the novel as a literary form The included passages come from novels themselves from diaries letters notebooks etc and together constitute something like an aesthetic of the novel Using these sources the book tries to answer the following questions What is a novel what are the problems which face the novelist when he sits down to write a work of fiction How is he to tell his story What exactly is meant by the point of view How should he manipulate time How is he in one of the possible senses of the word to make his characters seem real What are the functions of dialogue and how should it be dovetailed into narrative *An Introduction to the English Novel* Arnold Kettle, 2016-03-17 First published in 1953 this book forms the second part of Arnold Kettle's *An Introduction to the English Novel* In this second part Kettle builds a discussion of the modern English novel around the study of various books that have a more than casual significance in its development He begins with an analysis of James Hardy and Butler three late Victorian writers whose work points forward to the major preoccupations of twentieth century novelists In his discussion of a dozen or so of these points the author examines their progress in the long struggle of the novelist to see life steadily and whole and points out some of the problems and hazards that beset the writer still The selection both of novelists and their work is excellent it is both shrewd and witty The Times Literary Supplement Altogether this is a refreshing challenging and original work wholly adult in tone and never pedantic or dull The Guardian **Barbara Pym and the Novel of Manners** Annette Weld, 1992-02-12 *The Reality behind Barbara Pym's Excellent Women* Robin R. Joyce, 2023-02-20 This book analyses Barbara Pym's published and unpublished work through a new image that of the troublesome woman It details the political nature of her work highlighting her feminist ideas which are hidden in village like settings and revealed by troublesome women By exploring Pym's written work published and unpublished diaries and notebooks the book shows that this material gives credence to Hilary Pym's interpretation of her sister as a complex person
 The Subversion of Romance in the Novels of Barbara Pym Ellen M. Tsagaris, 1998 Points out how British novelist

Pym 1913 80 parodied the conventions of romance novels by deflating characters hyperbole and exaggeration or emphasizing meticulously the mundane elements of everyday life Shows how she used food clothes heroin and hero characterizations and marriage customs to portray her characters and perhaps her own skepticism about the whole business Paper edition 764 0 18 95 Annotation copyrighted by Book News Inc Portland OR **An Introduction to the English**
