Robert The Bruces Rivals The Comyns 12121314

Richard Oram

Robert The Bruces Rivals The Comyns 12121314:

Robert the Bruce's Rivals Alan Young, 2001-01-01 This volume aims to critically examine the bad reputation gained by the Comyns in post Bruce Scotland The name Comyn has long been associated in Scottish tradition with treachery the family were involved in the infamous kidnapping of the young Alexander III in 1257 were accused of treachery against William Wallace at the Battle of Falkirk in 1298 and of betraying Robert Bruce to Edward I of England 1306 This reappraisal of the Comyns role concludes that the period 1212 to 1314 should be regarded as the Comyn century in Scottish history The book highlights the Comyns role as pillars of the Scottish monarchy and leaders of the political community of the realm in this formative century The family's interests and influence extended into every corner of Scotland and their castles controlled key lines of communication especially in Northern Scotland It is against this background that Bruce's political ambitions in Scotland and Edward I's attempts to influence Scottish affairs in the late 13th century are set Comyn dominance of the Scottish political scene adds a new twist to the murder of John Comyn by Robert Bruce in the Greyfriars Church at Dumfries in 1306 and to the impact of the Battle of Bannockburn 1314 on the power struggle within Scotland This study of the Comyns intends to help establish the strength of opposition to Robert Bruce at the end of the 13th century A non Bruce view of the 13th century Scottish history The issue of power politics within Scotland and between England and Scotland is a constant central theme

Robert the Bruce: pocket GIANTS Fiona Watson, 2014-08-01 From disastrous beginnings after he took the throne of Scotland having murdered a powerful rival Robert I became a military leader of consummate genius Throwing away the rulebook of medieval warfare which favoured the mounted knight he remodelled the Scottish army as a disciplined audacious band of brothers capable of surprising castles raiding and extracting blackmail as far south as Yorkshire and even defeating a mighty English army in pitched battle Ruthless charismatic indomitable and lucky the Bruce is a towering example of an underdog capable of turning disadvantage into advantage and winning the day through talent and sheer determination The English turned the lessons they learnt from him to good effect in their Hundred Years war against France

Robert Bruce and the Community of the Realm of Scotland G W S Barrow, 2013-10-31 An Edinburgh Classic edition to commemorate the 700th anniversary of the Battle of Bannockburn in 1314 England and Scotland in the Fourteenth

Century Andy King, Michael A. Penman, 2007 Typical accounts of Anglo Scottish relations during the 14th century tends to present a sustained period of bitter enmity However this book shows that the situation was far more complex Drawing together new perspectives from leading researchers the essays investigate the great complexity of the Anglo Scottish tensions

Scottish Queens, 1034-1714 Rosalind K. Marshall, 2019-05-09 An enlightening and fascinating exploration of Scotland's royal women from Lady Macbeth to Mary Queen of Scots and beyond Booklist The lives of the Scottish queens both those who ruled in their own right and the consorts have largely been neglected in conventional history books One of the earliest known Scottish queens was none other than the notorious Lady Macbeth Was she really the wicked woman

depicted in Shakespeare's famous play *Was St Margaret a demure and obedient wife* Why did Margaret Logie exercise such an influence over her husband David II and have we underestimated James VI's consort Anne of Denmark frequently written off as a stupid and willful woman Rosalind K Marshall delves into these questions and more in this entertaining impeccably researched book A broad impressive historical work and solid introduction to Scottish history from an oft ignored perspective that of the queens who exercised power whenever and wherever they could find it Foreword Reviews Includes illustrations and genealogical tables Plantagenet England 1225-1360 Michael Prestwich, 2007 England of the Plantagenet kings was a turbulent place In politics it saw Simon de Montfort's challenge to the crown in Henry III's reign and it witnessed the deposition of Edward II By contrast and as relief it also experienced the highly successful rules of Edward I and his grandson Edward III Political institutions were transformed with the development of parliament and war the stimulus for some of that change was never far away Wales was conquered and the Scottish Wars of Independence started in Edward I's reign while Crecy and Poitiers were English triumphs under Edward III Beyond politics the structure of English society was developing from the great magnates at the top to the peasantry at the bottom Economic changes were also significant from the expansionary period of the thirteenth century to years of difficulty in the fourteenth culminating in the greatest demographic disaster of historical times the Black Death Embracing politics and government kingship the structure of society France Scotland and Wales as well as areas such as the environment the management of the land crime and punishment Michael Prestwich's survey casts the Plantagenet past in a new and revealing light BOOK JACKET *Sisters of the Bruce 1292-1314* J.M. Harvey, 2013-11-01 Set against the wild and perilous background of Scotland in the late 13th century the adventurous lives of Robert the Bruce's five sisters come to life through their own words in a series of letters Courage and tenacity are often associated with Scotland's great hero but few appreciate the enormous challenges experienced by these remarkable sisters Their intimate account of family life resonates still with love loss and hope Isa leaves home to sail to the land of the Vikings to become Queen of Norway whilst her sister Kirsty finds herself Countess of Mar and chatelaine of the great Kildrummy Castle in Scotland's far northeast Danger looms and the younger sisters Mathilda and Margaret escape to Orkney with Kirsty's children As Scotland spirals into war Robert's sisters face the wrath of King Edward of England whose vengeance wrought the brutal death of William Wallace Kirsty is incarcerated alone in an English nunnery whilst Mary endures years of misery within a cage hanging from the walls of Roxburgh Castle Under Robert's kingship old wounds heal and Scotland's fighting force achieves a resounding victory at the Battle of Bannockburn Only then are the fragile traumatised women released through the ransoming of English nobles to return home to rebuild their shattered lives *Sisters of The Bruce* is a captivating work of fiction that weaves family history with a gripping narrative through the social and political landscape of medieval Scotland Norway and Orkney J M Harvey has been inspired by Sharon Penman Elizabeth Chadwick and Sigurd Undset Scotland, England and France After the Loss of Normandy, 1204-1296 M. A. Pollock, 2015

An examination of the complex network of relationships and identity between England Scotland and France in the thirteenth century

The Reign of Alexander II, 1214-49 Richard Oram, 2005-04-01 This volume explores aspects of the political social cultural economic and religious development of Scotland in the reign of King Alexander II 1214 49 It constitutes the first full length multi author study of the king and his reign The nine contributors to the volume explore issues as diverse as the historiography of the reign Anglo Scottish relations Church State relations economy and international trade law aristocratic symbolism urban development and the territorial expansion of the kingdom This book the first major study of a reign which saw the Scottish monarchy achieve its mastery of northern mainland Britain is of great importance to historians of medieval Scotland and the wider British Isles The book is illustrated with 24 colour and b w photographs and 5 maps and plans

Alexander III, 1249-1286 Norman H. Reid, 2019-05-23 Winner of the Saltire Society Scottish History Book of the Year Presiding over an age of relative peace and prosperity Alexander III represented the zenith of Scottish medieval kingship The events which followed his early and unexpected death plunged Scotland into turmoil and into a period of warfare and internal decline which almost brought about the demise of the Scottish state This study fills a serious gap in the historiography of medieval Scotland For many decades even centuries Scotland s medieval kingship has been regarded as a close likeness of the English monarchy having been modernised in that image by the twelfth and thirteenth century kings who had close relationships with their southern counterparts Recent research has cast doubt on that view and this examination of Alexander III s reign is based on a view of Scottish kingship which depends on much firmer continuity with its earlier celtic past It challenges accepted truth revealing that the nature of state and government and the relationships between ruler and subject were quite different from the previous received view On the cusp of a dynastic catastrophe which led to economic and political disaster Alexander III s reign captures a snapshot of Scotland at the end of a period of sustained peace and development a view of the medieval state as it really was

Eventually, you will categorically discover a additional experience and feat by spending more cash. yet when? pull off you agree to that you require to get those all needs bearing in mind having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more in relation to the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your certainly own time to achievement reviewing habit. in the course of guides you could enjoy now is **Robert The Bruces Rivals The Comyns 12121314** below.
