Robert E. Lee William Jackson Johnstone, 1933 Examines the religious and spiritual character of Robert E Lee in his conduct and relations with his family associates friends and enemies **General Robert E. Lee, the Christian Soldier** Judith White McGuire, 1873 The Christian Testimony of General Robert E. Lee Edward DeVries, 2016-08-10 Military achievement was only a small portion of the life story of General Robert E Lee General Lee also served as the president of a Christian College a Bible Society President and he was instrumental in the founding and or construction of over 60 churches His character and strong Christian faith documented in this 17 chapter book 161 sources are listed in the endnotes **The Religious Life of Robert E. Lee** Cox, R. David, 2017 Robert E Lee was many things accomplished soldier military engineer college president family man agent of reconciliation polarizing figure He was also a person of deep Christian conviction In this biography of the famous Civil War general R David Cox shows how Lee s Christian faith shaped his crucial role in some of the most pivotal events in American history Back cover The Maxims of Robert E. Lee for Young Gentlemen Robert Edward Lee, 2005 A SELECTION OF THE CONSERVATIVE BOOK CLUB I can think of no better guide for young men embarking on the adventure of life than the maxims of Robert E Lee H W Crocker III author of Robert E Lee on Leadership Must reading for all fathers and sons The example of Robert E Lee illustrates in stark colors what it means to be a man a model essential for all of us who are products of this distinctly unmanly age Rick Williams has placed us all in his debt with this wonderful anthology of Lee s wisdom and grace J Steven Wilkins author of Call of Duty The Sterling Nobility of Robert E Lee Gen Robert E Lee 1807-70 was renowned for his brilliant leadership during the Civil War however his genius extended far beyond the battlefield All his life he relied upon his faith for strength and guidance not only in troubled times but also as the foundation upon which he based all of his dealings with others This volume contains his advice and observations drawn from the great man s own writings on crucial topics such as education duty humility and Christian faith making this a valuable guide for today s youth Each section is preceded by a brief anecdote from his life and each of the quotes is described with the time and circumstance *General Robert E. Lee, the Christian Soldier* Judith W. McGuire, 2015-06-26 Excerpt from General Robert E Lee the Christian Soldier This little volume has been prepared by a lady of Virginia at the request of a few Christian men who have deeply revered and heartily loved the character of General Robert E Lee Looking upon him as a very high type of manhood they have desired that his testimony to the truth of Christianity and the example and teaching of his life so single hearted so clear so eloquent in behalf of duty of virtue and of religion should be as widely influential and as effective as possible Until in the course of Providence sectional animosity in this country culminated in fury and great questions of state were referred to the arbitrament of the sword there was no man who stood so fairly in the eyes of the whole American people or who had so sure and unquestioned a title to their esteem and affection as General Lee About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

Robert E. Lee, the Christian William J. Johnstone, 2013-10 **Robert E. Lee the Christian** William Jackson Johnstone, 1993 **General Robert E. Lee, the Christian Soldier** Judith McGuire, 2015-12-03 With the exception of George Washington perhaps the most famous general in American history is Robert E Lee January 19 1807 October 12 1870 despite the fact he led the Confederate Army of Northern Virginia against the Union in the Civil War As the son of U S Revolutionary War hero Henry Light Horse Harry Lee III and a relative of Martha Custis Washington Lee was imbued with a strong sense of honor and duty from the beginning And as a top graduate of West Point Lee had distinguished himself so well before the Civil War that President Lincoln asked him to command the entire Union Army Lee famously declined serving his home state of Virginia instead after it seceded Lee is remembered today for constantly defeating the Union s Army of the Potomac in the Eastern theater from 1862 1865 considerably frustrating Lincoln and his generals His leadership of his army led to him being deified after the war by some of his former subordinates especially Virginians and he came to personify the Lost Cause s ideal Southern soldier His reputation was secured in the decades after the war as a general who brilliantly led his men to amazing victories against all odds Despite his successes and his legacy Lee wasn t perfect And of all the battles Lee fought in he was most criticized for Gettysburg particularly his order of Pickett s Charge on the third and final day of the war Despite the fact his principle subordinate and corps leader General James Longstreet advised against the charge Lee went ahead with it ending the army s defeat at Gettysburg with a violent climax that left half of the men who charged killed or wounded Although the Civil War came to define Lee s legacy he was involved in some of American history s other turning points including the Mexican American War and the capture of John Brown **The Religious Life of Robert E. Lee** R. David Cox, 2017-04-12 The first close examination of how Robert E Lee s faith shaped his life Robert E Lee was many things accomplished soldier military engineer college president family man agent of reconciliation polarizing figure He was also a person of deep Christian conviction In this biography of the famous Civil War general R David Cox shows how Lee s Christian faith shaped his crucial role in some of the most pivotal events in American history Delving into family letters and other primary sources some of them newly discovered Cox traces the lifelong development of Lee s convictions and how they influenced his decisions to stand with Virginia over against the Union and later to support reconciliation and reconstruction in the years after the Civil War Faith was central to Lee s character Cox argues so central that it directed and redirected his life especially in the aftermath of defeat **Robert E. Lee** Lee Roddy, 1977 A biography of the leader of the Confederate forces during the Civil War **Great Military Leaders** William T. Worthington, 2002 Great Military Leaders A Bibliography

with Vignettes *General Robert E. Lee After Appomattox* Franklin Lafayette Riley, 1922 [Handbook for the Christian Faith](#) James M. Dawsey, 2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be *Christianity in America* G. Wright Doyle, 2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy

The Congregationalist and Christian World, 1904 **Robert E. Lee** Lee Roddy, 1977-12-01 A biography of the leader of the Confederate forces during the Civil War **A Shared Christian Life** Ben Witherington III, 2012-08-01 This book is for is for everyday Christians who seek to love God and offer charity toward others by celebrating spiritual practices in their congregation It is meant to encourage you to be an integral part of the body of Christ working and serving together loving God with hearts but also with hands and feet to be formed as a disciple of Jesus Christ In the Wesleyan tradition we believe that Christian formation happens best when two or more are gathered So focus is the body of Christ gathered worshipping sharing learning fellowship taking Holy Communion and doing works of piety and charity together In addition a relationship with God is not primarily an individual s lonely personal quest for transcendence It is not about becoming more self centered more self focused but it is about becoming more self forgetful The book outlines spiritual practices that involve individual and congregational transformation through learning and loving fellowship and worship by being lifted up in spirit

and being enlightened in mind A normal Christian life needs balance not only between work and rest and play but also between worship sacraments doing and learning It needs balance between being alone with God and time with significant others

Book 5 Apologetics HC Kurt Jurgensmeier, 2012-08-22 How Does God Really Want Us to Prove Christianity

Christian apologetics is the endeavor to prove There is salvation in no one else but Jesus Christ Acts 4 12 The most popular approach is an intellectual one that marshals scientific historical and philosophical arguments to defend the Christian faith However this book makes the following claims Intellectual apologetics has no biblical support including the often quoted 1 Peter 3 15 The Apostle Paul actually denounced the use of intellectual apologetics for evangelism Virtue apologetics which proves the Gospel by the superior love and holiness of Spirit indwelt believers is repeatedly commanded in Scripture and demonstrated in real life and history Claims to Christian immorality in both history and modern research are not true While there are a multitude of books on intellectual apologetics this author could not find a biblical study that explains defends and encourages virtue apologetics So he wrote one
