Nineteenth-Century British Travelers in the New World

Christine DeVine, 2016-05-06 With cheaper publishing costs and the explosion of periodical publishing the influence of New World travel narratives was greater during the nineteenth century than ever before as they offered an understanding not only of America through British eyes but also a lens through which nineteenth century Britain could view itself Despite the differences in purpose and method the writers and artists discussed in *Nineteenth Century British Travelers in the New World* from Fanny Wright arriving in America in 1818 to the return of Henry James in 1904 and including Charles Dickens Frances Trollope Isabella Bird Fanny Kemble Harriet Martineau and Robert Louis Stevenson among others as well as artists such as Eyre Crowe all contributed to the continued building of America as a construct for audiences at home These travelers stories and images thus presented an idea of

America over which Britons could crow about their own supposed sophistication and a democratic model through which to posit their own future all of which suggests the importance of transatlantic travel writing and the idea of America to nineteenth century Britain **Bulletin of the Brooklyn Public Library** Brooklyn Public Library,1911 **Bulletin of the Scranton Public Library** Scranton Public Library (Scranton, Pa.),1908 Literature and Photography in Transition, 1850-1915 O. Clayton,2014-11-21 Literature and Photography in Transition 1850 1915 examines how British and American writers used early photography and film as illustrations and metaphors It concentrates on five figures in particular Henry Mayhew Robert Louis Stevenson Amy Levy William Dean Howells and Jack London In Praise of Stevenson Vincent Starrett,1919 *British Comment on the United States* Ada Nisbet,2001-06-07 This bibliography of more than three thousand entries often extensively annotated lists books and pamphlets that illuminate evolving British views on the United States during a period of great change on both sides of the Atlantic Subjects addressed in various decades include slavery and abolitionism women s rights the Civil War organized labor economic cultural and social behavior political and religious movements and the American character in general **Brooklyn Public Library News Bulletin** Brooklyn Public Library,1910
