the Star Wars missile defence programme across NATO The chapters here explore the reactions of different Western allies to
the announcement of the SDI in 1983 and especially the 1985 invitation to participate While existing studies have explored
the origins of the American programme and the role it may have played in ending the Cold War this volume breaks new
ground by considering the impact of the SDI on transatlantic relations in the 1980s Based on newly available archival sources
this volume re evaluates the responses of eight NATO member state governments as well as the Soviet leadership to the SDI
In addition to looking at top down governmental reactions the volume also explores the bottom up response to the SDI of civil
society and peace activists on both sides of the Atlantic The volume examines how the American initiative derisively named

Star Wars by its detractors provoked a crisis in relations with its allies during the final decade of the Cold War and how those tensions within NATO were ultimately resolved This book will be of much interest to students of Cold War history strategic studies foreign policy and international history
