Sdi And Us Foreign Policy Sais Papers In International Affairs No 15:

Benevolent Conspiracies Helmut Willke, Carsten P. Krück, Christopher Thorn, 2017-11-07 No detailed description available for Benevolent Conspiracies

The French Way Richard F. Kuisel, 2011-11-07 How the French have used American culture to define a unique modern identity There are over 1 000 McDonald s on French soil Two Disney theme parks have opened near Paris in the last two decades And American inspired vocabulary such as le weekend has been absorbed into the French language But as former French president Jacques Chirac put it The U S finds France unbearably pretentious And we find the U S unbearably hegemonic Are the French fascinated or threatened by America They Americanize yet are notorious for expressions of anti Americanism From McDonald s and Coca Cola to free markets and foreign policy this book looks closely at the conflicts and contradictions of France s relationship to American politics and culture Richard Kuisel shows how the French have used America as both yardstick and foil to measure their own distinct national identity They ask how can we be modern like the Americans without becoming like them France has charted its own path it has welcomed America s products but rejected American policies assailed America s jungle capitalism while liberalizing its own economy attacked Reaganomics while defending French social security and protected French cinema television food and language even while ingesting American pop culture Kuisel examines France s role as an independent ally of the United States in the reunification of Germany and in military involvement in the Persian Gulf and Bosnia but he also considers the country s failures in influencing the Reagan Bush and Clinton administrations Whether investigating France s successful information technology sector or its spurning of American expertise during the AIDS epidemic Kuisel asks if this insistence on a French way represents a growing distance between Europe and the United States or a reaction to American globalization Exploring cultural trends values public opinion and political reality The French Way delves into the complex relationship between two modern nations

NATO for a New Century Carl C. Hodge, 2002-10-30 NATO s military interventions in the Balkans have transformed the alliance As the alliance goes East its members are compelled to rethink NATO s and each member nation s military and political roles Providing a well rounded study of continuing change in the contemporary North Atlantic Treaty Organization this book is constructed around eight essays by European security experts analyzing challenges confronting the Atlantic Alliance as a military alliance and as a collective security organization dealing simultaneously with deterrence enlargement and regional crisis intervention It is intended for senior undergraduate and graduate students in international relations American foreign policy European studies security and strategic studies The evidence is that NATO will undergo many more changes responding to actual and potential threats to Europe s peace These range from a revival of the ethnic conflict in the former Yugoslavia to the proliferation and possible use of nuclear biological and chemical weapons Also discussed is the matter of NATO s further enlargement and the question of whether this offers more or less security to the alliance membership as are the emerging tensions between the EU and NATO security regimes

0000 0000. 000000000000,1900 Books in Series, 1876-1949 R.R. Bowker Company,1982 **A London Bibliography of the Social Sciences** ,1931 Vols 1 4 include material to June 1 1929 **Ballistic Missile Defense In The Post-cold War Era** David B H Denoon,2021-11-28 With the end of the Cold War and the visibility of U S Patriot missile defenses during the 1991 Gulf War the cost and benefits of ballistic missile defense systems BMD need to be re evaluated In this detailed and balanced study David Denoon assesses new types of short range and intercontinental missile defenses In the post Cold War era two fundamental changes have made missile defense for the United States and its military forces more compelling The United States and Russia no longer see each other as direct threats and there has been a dramatic proliferation of ballistic missile capability in the Third World Consequently U S forces deployed overseas are more likely to be at risk and eventually the United States itself could become vulnerable to missile threats With these changes in mind David Denoon analyzes the current BMD dilemma arguing that active defenses against missiles should be seen as a form of insurance against catastrophe He assesses the likelihood of missile attacks and the appropriate level of investment for the United States to defend against such attacks The book provides an assessment of deterrence and the performance of the Patriot missiles during the 1991 Gulf War critiques the Strategic Defense Initiative and analyzes the prospects for new types of short range and intercontinental missile defenses **Current Publications in Legal and Related Fields** ,1988 **A Shield in Space?** Sanford Lakoff,Herbert F. York,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *National Legal Bibliography* ,1988 **SAIS Review** ,1986 Dedicated to advancing the debate on leading contemporary issues of world affairs Seeks to bring a fresh and policy relevant perspective to global political economic and security questions
 American Book Publishing Record ,1987 Scientific and Technical Books and Serials in Print ,1989 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles 0000000000000000 0000. 0000000000 00,1989 *The Cumulative Book Index* ,1989 A world list of books in the English language Books in Print ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers Airpower Journal ,1994 Études internationales ,1988 Missile Defenses and Western European Security Robert M. Soofer,1988-11-22 Missile Defenses and Western European Security is an important contribution to the current debate on how new weapons initiatives will affect prospects for world peace Soofer generously sprinkles the book with relevant quotes from high ranking NATO officials respected academicians and military policy experts thus enhancing the readers understanding of the subject Friday Review of Defense Literature The NATO alliance has come under increasing strain since President Reagan s announcement of plans for the strategic defense initiative

SDI in March 1983 This study examines the logic underlying Western European reactions to SDI and assesses the validity of European anxieties about missile defenses Systematically analyzing the positions of France Britain and West Germany on the full spectrum of NATO defense issues the author attempts to determine whether strategic and tactical missile defenses can in fact contribute to U S and Western security In his introduction the author traces the history of NATO s doubts concerning the strategic nuclear guarantee which were frequently expressed after the Soveits first successful missile launches in the late 1950s He next looks at Western European reactions to the SDI announcement and NATO s strategic thinking on deterrence and escalation He discusses the relation between arms control considerations and the strategic defense initiative focusing on NATO fears that SDI would lead to the abrogation of the 1972 ABM Treaty and with it the end of the arms control process Turning to antitactical missile defense Soofer argues that despite political opposition there exists a substantial strategic rationale for missile defenses deployed in Western Europe Offering clarification and new perspectives on many complex defense issues Missile Defenses and Western European Security will be an important contribution to the current debate on how new weapons initiatives will affect prospects for world peace This timely book is for specialists students and academics in the fields of strategic studies peace studies arms control diplomacy and international relations
