Sectarian Law In The Dead Sea Scrolls Courts Testimony And The Penal Code:

Sectarian Law in the Dead Sea Scrolls Lawrence H. Schiffman, 1983 **Otherworldly and Eschatological Priesthood in the Dead Sea Scrolls** Joseph L. Angel, 2010 Departing from scholarship dedicated to the socio historical realities of priesthood at Qumran this book explores images of otherworldly and messianic eschatological priesthood in the Dead Sea Scrolls as a reflection of the religious worldview of the Qumran community and related groups **Emerging Sectarianism in the Dead Sea Scrolls**, 2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism **A Guide to the Dead Sea Scrolls and Related Literature** Joseph A. Fitzmyer, 2008-09-15 The Dead Sea Scrolls are found in many varied publications often ordered only by publication date rather than a more easily navigable system making specific texts difficult to find Joseph Fitzmyer's guide offers a practical remedy to this dilemma A Guide to the Dead Sea Scrolls and Related Literature starts by explaining the conventional system of abbreviations for the Scrolls Then it helpfully lists specifically where readers can find each of the Scrolls and fragmentary texts from the eleven caves of Qumran and all the related sites using the officially assigned numbers of the text Fitzmyer supplies information on study tools helpful for scholars concordances dictionaries translations outlines of longer texts and more and briefly indicates electronic resources for the study of the Dead Sea Scrolls **Explaining Christian Origins and Early Judaism** Petri Luomanen, Ilkka Pyysiäinen, Risto Uro, 2007-11-30 Cognitive science of religion is a radically new paradigm in the study of religion Apart from psychology and anthropology of religion also historians of religion have shown increasing interest in this approach This volume is groundbreaking in combining cognitive analysis with historical and social scientific approaches to biblical materials Christian origins and early Judaism The book is in four parts an introduction to cognitive and social scientific approaches applications of cognitive science applications of conceptual blending theory and applications of socio cognitive analyses The book will be of interest for historians of religion biblical scholars and those working in the cognitive science of religion **Tolerance and Intolerance in Early Judaism and Christianity** Graham Stanton, Guy G. Stroumsa, 1998-05-28 The essays in this book consider issues of tolerance and intolerance faced by Jews and Christians between approximately 200 BCE and 200 CE Several chapters are concerned with many different aspects of early Jewish Christian relationships Five scholars however take a difference tack and discuss how Jews and Christians defined themselves against the pagan world As minority groups both Jews and Christians had to work out ways of co existing with their Graeco Roman neighbours Relationships with those neighbours

were often strained but even within both Jewish and Christian circles issues of tolerance and intolerance surfaced regularly So it is appropriate that some other contributors should consider inner Jewish relationships and that some should be concerned with Christian sects Divine Mysteries in the Enochic Tradition Andrei A. Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus

Sectarianism in Early Judaism David J. Chalcraft,2014-12-05 Sectarianism in Early Judaism applies recent developments in sociological analysis to sect formation and development in early Judaism The essays examine sectarianism in a wide range of different forms the many layers of redaction in religious texts the development arcs of sectarian groups the role of sectarianism across Jewish history as well as in the time of the Second Temple and the relations within and between sects and between sects and wider society The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson exploring the limits of their typologies and sociological theories 4QMMT Hanne Von Weissenberg,2009 This book focuses on the third section of one of the most important documents from the Qumran library the epilogue of 4QMMT It re evaluates the textual basis for this section and analyses how the epilogue functions as a part of the larger document In addition to addressing the structure and genre of 4QMMT this volume analyzes the use of Scripture in the epilogue in order to illuminate the theological agenda of the document s author redactor Although this book a TM s primary focus is on the epilogue the results of this investigation shed light on 4QMMT as a whole
