

Security Loyalty & Science

BY WALTER GELLHORN

Security Loyalty And Science

Walter Gellhorn

Security Loyalty And Science:

Security, Loyalty, and Science Walter Gellhorn, 2019-03-15 Both sides of a sensitive problem are assessed by Professor Gellhorn in this penetrating analysis of national security and its effect upon scientific progress The costs and advantages of secrecy in certain areas of science and the conflict between national safety and individual rights in the administration of our federal loyalty program are presented all the arguments are objectively weighed The book answers such questions as Can young scientists be well trained when publication and teaching are not free Have we gone far enough or too far in avoiding security risks in important scientific establishments How does the federal drive against potentially disloyal persons actually work Do fear of the smear and crude methods discourage public service by American scientists This study a unit of an investigation of control of subversive activities supported by grants from the Rockefeller Foundation is based upon two years of research and numerous field interviews of scientists administrators defense officials and educators Security, Loyalty, and Science Walter Gellhorn, 1950 Security and Constitutional Rights United States. Congress. Senate.

Committee on the Judiciary, 1956 *Communist Domination of Unions and National Security...* United States. Congress.

Senate. Labor and Public Welfare, 1952 Federal Service and the Constitution, Second Edition David H.

Rosenbloom, 2014-07-24 Now in a new thoroughly revised and updated second edition this legal historical analysis reviews and enlarges its look at the constitutional rights of federal employees from the nation's founding to the present Rosenbloom concludes that the current status of constitutional rights may reflect a shift to a model based on private sector practices

Security and Constitutional Rights: June 12, 13, 1956. pp. 851-942 United States. Congress. Senate. Committee on the Judiciary, United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Constitutional Rights, 1956

Security and Constitutional Rights United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Constitutional Rights, 1960 Critique of Security Mark Neocleous, 2008-05-12 This book brings together a range of diverse

discussions about security in order to sustain a genuine critique of the subject It is unique in its examination of the historical and political links between social security and national security and in its assessment of the way that emergency powers as the most intense realisation of the rhetoric of national security have been synthesised with normal law Among other ideas and concepts Mark Neocleous discusses the place of security in the liberal tradition of political theory Building on insights from Foucault and Marx he argues that liberalism's central category is not liberty but security He also deals with the role of security in justifying the introduction and continuation of emergency powers through a historical excavation of the state of emergency a political reading of the way emergency powers are only tangentially concerned with warfare and a theoretical reading of the debate between Schmitt and Benjamin **Perilous Times** Geoffrey R. Stone, 2004 Geoffrey Stone's *Perilous Times* incisively investigates how the First Amendment and other civil liberties have been compromised in America during

wartime Stone delineates the consistent suppression of free speech in six historical periods from the Sedition Act of 1798 to the Vietnam War and ends with a coda that examines the state of civil liberties in the Bush era Full of fresh legal and historical insight Perilous Times magisterially presents a dramatic cast of characters who influenced the course of history over a two hundred year period from the presidents Adams Lincoln Wilson Roosevelt and Nixon to the Supreme Court justices Taney Holmes Brandeis Black and Warren to the resisters Clement Vallandigham Emma Goldman Fred Korematsu and David Dellinger Filled with dozens of rare photographs posters and historical illustrations Perilous Times is resonant in its call for a new approach in our response to grave crises **Security, Loyalty and Science. Walter Gellhorn,...** Walter Gellhorn,1950

Getting the books **Security Loyalty And Science** now is not type of challenging means.
