Seduction Of Hillary Rodham:

The Seduction of Hillary Rodham David Brock, 1998-02-02 Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband's government career in Arkansas her involvement in his presidency her family life and other related topics *The Seduction of Hillary Rodham* Cathryn Ladame, David Brock, 1996-10 A detailed portrait of one strong-willed woman's struggle to maintain her personal and political integrity in the face of powerfully seductive forces concluding that the First Lady is neither the untarnished icon nor the scheming Lady Macbeth but a public figure who is yet to be understood **Hillary's Choice** Gail Sheehy, 2000-02-28 Why does she stay with him Where does she go from here The author who revealed a generation's Passages now answers all the questions about the most talked about First Lady in American history In *Hillary's Choice* Hillary Clinton is rendered fully human for the first time Here is the life of a woman that is also the story of a marriage and the drama of a presidency From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president from the sexual betrayals that nearly broke her to the national scandal that remade her this is the epic journey of a modern American woman a saga that begins in passivity moves through self-punishment and ends in power Who was the one other woman who posed a serious threat to their marriage What was the real reason for the health care failure How did Hillary escape the snare of Kenneth Starr How has she managed through it all to be a good mother No matter what her future the mysteries about Hillary Clinton's past have been fully resolved by *Hillary's Choice* a stunning achievement from a master chronicler of our times *A Woman in Charge* Carl Bernstein, 2007-06-05 The nuanced definitive biography of one of the most controversial and widely misunderstood figures of our time the woman running a historic campaign as the 2016 Democratic presidential nominee Hillary Rodham Clinton Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records Pulitzer Prize-winning journalist and bestselling author Carl Bernstein has given us a book that enables us at last to address the questions Americans are insistently even obsessively asking Who is she What is her character What is her political philosophy And what can we expect from Hillary if we elect her President of the United States *Hillary's America* Dinesh D'Souza, 2016-07-18 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country [Ready for Hillary?](#) Robin Renwick, 2014-11-11 Hillary Rodham Clinton was the first First Lady to have her own office in the West Wing of the White House and the only First Lady ever to be subpoenaed to testify before a grand jury Upon leaving the White House she was elected as the first female Senator for New York then served as one of America's most popular Secretaries of State Will she now become the first female President of the United States Hillary is poised to decide whether she will launch a fresh attempt to take the highest office in the world and make history in doing so But what is Hillary really like Will she run Can she win What can the world expect from Hillary if she does get back to the White House What sort of President would she be Robin Renwick who was the British ambassador in Washington when

the Clintons arrived in the White House seeks to answer these questions and more in this vivid portrait of one of the most polarising and central figures in recent US political history **Hillary Rising** James D. Boys,2016-01-26 On 12 April 2015 Hillary Clinton formally announced her intention to run for President in 2016 casting herself as the champion of everyday Americans With near universal name recognition and the promise to make history as the first female occupant of the Oval Office all seems set for Hillary to secure the one role that has eluded her to date but what drives this most intriguing and polarising of political figures Will she be able to shake off her past mistakes and finally secure the Democratic Party's nomination What are her chances of winning the White House And perhaps more importantly what kind of President would she make Drawing on original interviews with close associates of both Bill and Hillary as well as a wealth of recently declassified materials from the Clinton archive James D Boys offers a clear sighted non partisan analysis of Hillary's rise to the pinnacle of American power revealing the political ideology and core principles that have remained a constant throughout

Governing Codes Karrin Vasby Anderson,Kristina Horn Sheeler,2005-08-23 Familiar narratives and simplistic stereotypes frame the representation of women in U S politics Pervasive containment rhetorics such as the distinction between women as mothers and caregivers and men as rational thinkers create unique hurdles for any woman seeking public office While these governing codes generally act to constrain female political power they can also be harnessed as a resource depending on the particular circumstances e g party affiliation geographic location and personal style One of these governing codes the metaphor is an especially powerful tool in politics today particularly for women By examining the political careers of four of the most prominent and influential women in contemporary U S politics_Democrats Ann Richards and Hillary Rodham Clinton and Republicans Christine Todd Whitman and Elizabeth Dole_Karrin Vasby Anderson and Kristina Horn Sheeler illustrate how metaphors in public discourse may be both familiar narratives to embrace and boundaries to overturn

Bill Clinton Nigel Hamilton,2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton's failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton's dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish **The Clintons' War on Women** Roger Stone,Robert Morrow,2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another

shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he s learned since the hardcover s release
