See how They Run. A Farce in Three Acts. (Revised Acting Edition.). Philip KING (Dramatist.),1949 **See how they run. A farce in three acts. (Revised acting edition.). Philip King,1949** **See how They Run** Philip King,1949 So swift is the action so involved the situations so rib tickling the plot in this London hit that at its finish audiences are left as exhausted from laughter as though they had run a foot race Galloping in and out of the four doors of an English vicarage are an American actor and actress he is now stationed with the Air Force in England a cockney maid who has seen too many American movies an old maid who touches alcohol for the first time in her life four men in clergyman suits presenting the problem of which is which for disguised as one is an escaped prisoner and a sedate Bishop aghast at all these goings on and the trumped up stories they tell him *Operation Mad Ball* Arthur Philip Carter,1960 Catalog of Copyright Entries Library of Congress. Copyright Office,1947 Happiest Years, The Thomas Coley, Catalog of the Theatre and Drama Collections New York Public Library. Research Libraries,1967 **Good Nights Out** Aleks Sierz,2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s Worm s Eye View and Hugh Hastings s Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre **The Amateur Stage** ,1960 **Catalog of Copyright Entries.
