See The Loud Feeling:

Sex Ed for the Stroller Set Laura Hancock, Karen Rayne, 2023-07-25 National Parenting Product Award Winner 2023
Sex Ed for the Stroller Set gives parents practical tools to proactively teach young children about sexuality and the confidence to use these tools. When adults bring intention and thoughtfulness to providing sexual health education to their young children, they can establish healthy attitudes toward sexuality and prepare their children and themselves for sexual topics that will arise in later years. While there are many books on sexual health written for parents of teens and young adults, there are very few written for parents of young children. But the early years are crucial to sexual health, and what parents do and say is of the utmost importance. This book, written for parents or other primary caregivers who are raising a child under the age of six, shows how to provide essential information about sexuality, bodies, and behavior in age-appropriate but thorough and accurate language. It helps parents prepare for conversations that might make them uncomfortable by supplying not only the necessary information but also specific phrases and words they can use when speaking to their young children, while also helping parents process their own anxieties around sex. A parent is their child's best sex ed teacher. By providing reliable, straightforward information about sexuality, parents can establish open, honest relationships with their children, help protect them from harm, and set them up for healthy, fulfilling, and pleasurable sex lives and relationships as adults.

The Dream Interpretation Dictionary J.M. DeBord, 2017-05-22 Unravels dream symbols and their meanings. What do reoccurring dreams reveal? What's the purpose of nightmares, and can they be stopped? Why do some people show up in dreams? Are some dreams actually warnings? Going beyond superficial explanations, *The Dream Interpretation Dictionary: Symbols, Signs, and Meanings* brings a deep and rich understanding to a variety of images, signs, and symbols. It considers the context to help anyone complete their own personal jigsaw puzzle. It provides the tools to allow anyone to sort through possible connections and to make sense of their dreams. From entries ranging from Abandonment to Zoo, this massive tome analyzes sex dreams, money dreams, dreams of falling, running, or paralysis, and much, much more. It brings profound insights to thousands of dream messages. It shows what to look for and what to ignore, and teaches how to master dream interpretation. Examples of symbols are given. The complexity and context of a dream are explored. Signs and their meanings are illustrated. Illuminating the intelligence of dreams, decoding clues, explaining symbols, and revealing the universal meanings of each, as well as their subtler associations, *The Dream Interpretation Dictionary: Symbols, Signs, and Meanings* explores the messages delivered by the unconscious mind during sleep. It examines how dreams connect to daily life. It shows how dreams can lead to deeper understanding and self-awareness. Also included are a helpful bibliography and an extensive index, adding to the book's usefulness.
