Seek and Slide in the Desert Sharon Harmer, Amanda Ferguson, 2005 Children will have fun matching the names of desert animals with the correct pictures *Seek and Slide in the Desert*, 2005 Children will have fun matching the names of desert animals with the correct pictures **The Children's Buyer's Guide**, 2005 **Seeking God** Michael H. Mitias, 2012-09-14 Seeking God is a Platonic dialogue on the nature of the religious experience and the conditions under which this experience is possible The dialogue takes place between three characters a philosopher a Sufi and a Christian monk They meet in the Syrian Desert and share their views and experiences on what it takes to have a union with God The main premise that is presented and analyzed in the dialogue is that God reveals himself in nature human civilization and the human heart Love is the beginning and end of the path that leads to the quest for God and the light that illumines this path Living from the standpoint of the Divine is the basis of the good life This book presents a vivid picture of the beauty and sublimity of the Divine the joy of the religious experience and the joy of life **California Desert** United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Public Lands, 1974 **Proceedings**, 1971 **A Desert Calling** Michael A. Mares, 2009-07-01 For most of us the word desert conjures up images of barren wasteland vast dry stretches inimical to life But for a great array of creatures the desert is a haven and a home Travel with Mares into the deserts of Argentina Iran Egypt and the American Southwest to encounter a rich and memorable variety of small tenacious animals *California Desert* United States. Congress. Senate. Interior and Insular Affairs Committee, 1974 *Seeking Alice* Camilla Trinchieri, 2016-03-14 A haunting story of the disintegration of an American and Italian family caught in Europe during World War II This gripping story of love and loss centers on Marco an Italian diplomat Alice his American wife and their young children Stationed in Prague during World War II Marco and Alice become enemies when the United States enters the war forcing Alice and the children to move from Prague to Rome and finally to Cernobbio in a desperate attempt to flee to Switzerland Through alternating passages narrated by Alice and daughter Susie readers shuttle back and forth between war torn Europe and 1950s Massachusetts to search for answers and unravel the mystery about what really happened to Alice during the war A searing narrative that keeps the reader alert on the edge at times almost unbearably so I could not put the novel down War inhabits the lives of all the characters of *Seeking Alice* it pulses through the novel's own memory It's the source of loss and the lethal circle the two narrators and the reader must penetrate and understand The journey into which we are drawn may be defined by the broad strokes of history but it is the fine precision of the intimate detail the fierceness of love the rawness of regret the force of desire and compassion that pull us A truly wonderful book Edvige Giunta author of *Writing with an Accent* and coeditor of *Personal Effects* Like Elsa Morante's *History A Novel* and Alberto Moravia's *Two Women* Camilla Trinchieri's *Seeking Alice* is that rare redemptive and all too often ignored story of what it's like to be a woman living in a war zone trying to keep yourself and your children safe while trying to maintain your

own integrity It is a redemptive novel of witness about this courageous woman s experience and her daughter s unrelenting drive to recover her mother s true history long after the war is over Louise DeSalvo author of Chasing Ghosts A Memoir of a Father Gone to War This beautifully written novel is a cross between Leo Tolstoy s War and Peace and Martha Gellhorn s A Stricken Field It s about the worst moments of the twentieth century as experienced by a family with no good options and the love sacrifice regret and triumph they live with in the face of forces beyond their control Kass Fleisher author of Dead Woman Hollow

Abstract Mind of a Poet L.S. McKay, 2019-09-05 In his first book Abstract Mind of a Poet The Beginning L S McKay gave his readers an initial taste of his unique perspective on life love nature and people In this his second book Abstract Mind of a Poet The Journey he guides us on the path that exposed him to these insights He begins with the poems and prose of youth inexperience and innocence of brightest day through the disillusionment of war and broken dreams that yield the dusk of careless abandon and wild risks with nothing to lose McKay s verse and verbiage then submerge the reader in the depths of despair and desperation a glimpse of the dark endured by those ensnared by death and loss into hopelessness guilt and addictions Finally we soar aloft again with the poet as he fights for life and a new dawn that looms on the horizon for those who reach a hand up for help Sometimes funny often raw and real always thought provoking McKay s offering of prose and poetry is at once a basically simplistic and inspirationally complex reflection of his unusual life Step along the path to explore the Abstract Mind of a Poet The Journey
