Seized My Life With Epilepsy:

My Life with Epilepsy and Seizures Brian P. Lund, 2013-10-24 The book describes my life from birth all the way to where I am today My days putting up with Epilepsy Seizures What it took to become seizure free and yes the family I grew up in

Seized Teresa McLean, 1995 Living with Epilepsy Mel Riebe Jr., 2019-01-03 I don't know why people are afraid of people who have epilepsy It's just a condition It's not something you can catch it is not contagious Epilepsy has to do with the brain Like me I was born perfectly normal However I had one of my blood vessels on the left side of my brain burst That is why I have seizures for the rest of my life Epilepsy is not a bad word It is only a condition Doctors are doing more research on it so they can try out new medication that may control the seizures much better Maybe one day they will find a stronger medication for epilepsy I will do everything in my power to make sure that people with epilepsy will have a better life Maybe one day that would be cool Maybe my life is not perfect People think I can't do anything but they should think again I can do anything when I put my mind to it I can do it Epilepsy in Our Experience Steven C. Schachter, 2008 Epilepsy in Our Experience reveals for the first time the wide range of emotions challenges and triumphs experienced by those who work with epilepsy patients and their families In addition other health care professionals who have epilepsy share their profound uplifting and sometimes heartbreaking experiences and how they have come to understand first hand the perspectives of patients with epilepsy It is the hope of the Editor and everyone who contributed that by reading this book patients and their families will better understand what their doctors nurses and other health care providers experience in their practices and feel in their hearts their emotional highs and lows their successes and their failures It is also hoped that these insights will strengthen communication and increase understanding between patients with epilepsy and the professionals who care for them BOOK JACKET Epilepsy in Our Lives Steven C. Schachter, Kaarkuzhali Babu Krishnamurthy, Deborah T. Combs Cantrell, 2008 Epilepsy in Our Lives is a collection of stories from women with epilepsy that describe in their own words what life is like with this disorder **Living and Coping with Epilepsy, My Way** Cara Coles, 2015-02-27 You really can have anything you want out of life no matter what Living and Coping with Epilepsy My Way is about the author's journey living and dealing with epilepsy finding the law of attraction and how her life has changed since then Seizure and Epilepsy Care Patrick Landazuri, Nuria Lacuey Lecumberri, Laura Vilella Bertran, Mark Farrenburg, Samden Lhatoo, 2023-02-09 A practical manual that provides a succinct and clinically relevant reference of routine clinical epilepsy care The Unpredictable Richard Davis, 2013-01-24 The purpose of The Unpredictable is to share personal and biographical stories and illustrations from my own experiences as well as others whose lives have been impacted by epilepsy or disorders Through the written word and the stroke of a brush the old saying A picture paints a thousand words accurately portrays the special people that have been highlighted in the pages of this book At the completion of this book my thoughts went back to what inspired me to write and paint about seizures and living with epilepsy It was my desire to make a living as an artist and settle down in a

country home with my family living the life of an artist with a canvas and brush However I have learned through the years that our plans are often contrary to what God has in store for us Living with epilepsy has brought challenges and storms in life that have changed the course and direction of my life In this book the experiences of life with art and epilepsy are put into paintings that I have visualized from this disease My desire is to educate those unfamiliar with epilepsy encourage the ones living with this disease comfort the loved ones who support and assist those living with seizures and open the eyes of doctors who are educated about seizures but have never experienced the challenges faced in living with a seizure disorder
