Seizing Paradise:

, Alienese Oliver Davis Pike,2019-05-27 Dave Ladd has been musician didn't mind being abducted by aliens Especially when those aliens had plenty of cash to compensate him Let them keep whatever secret they seemed to have learned about Earth So he thought when he was returned to his home in rural Alabama But he was already too involved in that secret a secret that involved the survival of humanity and soon was on the run with an alien girlfriend first on Earth and then out there A solution must be found by the motley band of humans and aliens thrown together in ALIENESE a science fiction novel by Oliver Davis Pike

The Complete Works George Bernard Shaw,2022-05-17 George Bernard Shaw's The Complete Works is a monumental compilation that encapsulates the breadth of his creative genius spanning plays essays and letters The collection is marked by Shaw's distinctive wit and incisive social critique reflecting the Victorian and Edwardian eras His writing style blends sharp dialogue with profound philosophical inquiries often challenging societal norms and contemplating the themes of class gender and morality through his characters This anthology not only serves as a testament to Shaw's theatrical innovations such as his use of realistic dialogue and satire but also situates his works within the larger context of modernist literature Born in 1856 in Dublin Shaw's upbringing in a tumultuous socio-political environment profoundly influenced his worldview His experiences in the Fabian Society honed his beliefs in socialism and reform which later permeated his writing particularly in plays like Pygmalion and Saint Joan This collection showcases the evolution of his thought revealing how Shaw aimed to provoke challenge and inspire dialogue among readers and audiences alike The Complete Works is an essential volume for scholars theater enthusiasts and anyone interested in the complexities of human nature and societal structures Shaw's compelling narratives and sharp-edged humor ensure that readers will find both entertainment and enlightenment making this collection a vital addition to any literary library

Seize the Moment-Besher't Abraham N. Fenster, Ph.D.,2009-04-06 Seizing the moment at the attosecond of time is when it is meant to be The author relates to how scientific theories can be integrated into an overarching explanation of how the macro workings of the infinite universe are intertwined with the micro activities of an individual's activities in the physical world and how this can be blended with the unseen world of spirituality of the universe as coexisting parallel intertwined worlds Science and spirituality are not in opposition to one another but complement each other and provide a more revealing explanation to our fundamental questions of is it meant to be or is it meant to be Besher't In the process of trying to determine the complex concepts implied by meant to be the author explores how one can have a predetermined existence and make free will decisions at the same time Detailing some of the author's own Besher't life experiences he ultimately concludes that one must recognize the spirituality teachings of Kabbalah and current scientific hypothesis of the Unified Theory to understand this complex question of how does free will have a role in predetermination
