*The Counterfeit Christmas* Jeffery Donley, 2016-09-30 Much has been said about the birth of Jesus Come face to face with Mary and Joseph as you've never seen them before Let's unwrap the first Christmas as Jeffery Donley takes you back in time to witness Mary and Joseph's courtship Stand with Mary before the mighty angelic messenger Gabriel as he announces that she will give birth to the Messiah Hear Mary sing ten stanzas Cry with Mary when Joseph cannot accept her but will privately divorce her Shout with joy with Mary when Joseph comes to take her home Walk with Mary and Joseph as you will feel every grueling step to Bethlehem A cold damp stinking urine feces filled room A burial garment An animal feed trough Smell the place where Mary gave birth Witness what Mary and Joseph used to swaddle baby Jesus Look where they laid him Be astonished at what Joseph became Shiver with Mary as she holds baby Jesus in her arms and sings a lullaby to him Hear an angelic army sing about the birth of Jesus to shepherds Tremble in fear with Herod the Great as the Wise Men the powerful Parthian Megistanes gallop into Jerusalem Wake up in the middle of the night and make a strategic trip to Egypt with Joseph Mary and Jesus And rejoice when Joseph Mary and Jesus return to Israel After reading *The Counterfeit Christmas* you'll understand the birth of Jesus in a whole new way After reading this book your life will not be the same I have enjoyed my reading and imagining with Jeffery Donley what this most magnificent event of our Lord's birth must have felt like to those who were involved in one of the most astounding events in the celestial and terrestrial world Here is a narrative that will force moderns to pause and to reflect on the central event in history Christmas will never remain the same for all who live the story of our Lord's birth once again in the way it is retold here Jeffery's writing takes a story we all think is so well known it hardly bears repeating yet Donley puts it so dramatically that it will never seem the same ever again Interestingly enough Dr Donley quietly slips in some great archaeological linguistic and historical studies that will excite even the average reader I commend this text wholeheartedly to readers of all ages and abilities Dr Walter C Kaiser Jr Biblical Scholar President Emeritus Gordon Conwell Theological Seminary

**A Christmas Carol and Its Adaptations** Fred Guida, 2006-08-16 Over 150 years after its original composition Charles Dickens' *A Christmas Carol* continues to delight readers The figure of Ebenezer Scrooge has become a cultural icon and Tiny Tim's *God Bless Us Every One* is as familiar as *Merry Christmas* It is not surprising that Dickens' ghostly little book as he called it has proved popular with playwrights and screenwriters In everything from elegant literary treatments to animated musicals the role of Scrooge has been essayed by actors from George C Scott to Mr Magoo This critical account of the story's history and its various adaptations examines first the original writing of the story including its political economic and historical context The major interpretations are analyzed within their various media stage magic lantern shows silent film talkies and television Dickens' other lesser known Christmas stories like *The Cricket on the Hearth* are also examined and compared to the immortal *Carol* Finally a complete annotated

filmography of all film and television productions based on A Christmas Carol is included with commentary on each version's loyalty to the original text. The book includes 25 previously unpublished photos as well as analysis of previously undocumented productions. The text includes a foreword by the distinguished film and literary scholar Edward Wagenknecht, a bibliography, and an index.

*Media Across Borders* Andrea Esser, Iain Robert Smith, Miguel Á. Bernal-Merino, 2016-01-29

What happened when Sesame Street and Big Brother were adapted for African audiences? Or when video games Final Fantasy and Assassins Creed were localized for the Spanish market? Or when Sherlock Holmes was transformed into a talking dog for the Japanese animation Sherlock Hound? Bringing together leading international scholars working on localization in television, film, and video games, *Media Across Borders* is a pioneering study of the myriad ways in which media content is adapted for different markets and across cultural borders. Contributors examine significant localization trends and practices such as audiovisual translation and transcreation, dubbing and subtitling, international franchising, film remakes, TV format adaptation, and video game localization. Drawing together insights from across the audiovisual sector, this volume provides a number of innovative models for interrogating the international flow of media. By paying specific attention to the diverse ways in which cultural products are adapted across markets, this collection offers important new perspectives and theoretical frameworks for studying localization processes in the audiovisual sector. For further resources, please see the *Media Across Borders* group website [www.mediaacrossborders.com](http://www.mediaacrossborders.com), which hosts a localization bibliography, links to relevant companies, institutions, and publications, as well as conference papers and workshop summaries.
