Sex and Superstition Geoffrey Leslie Simons,1973 Female Superstitions of Sex Kenneth Kangende,2004 *Sex and the Supernatural* Benjamin Walker,1970 **Male Superstitions of Sex** Kenneth Kangende,2003 **A Complete Book of Sex Knowledge** Bernard Bernard,1923 Sexual Life In Ancient Greece Hans Licht,2013-10-28 First published in 2001 From Ancient Greece modern Western civilisation has derived many of its artistic philosophical and pollical ideas But in certain areas of sexual tolerance and inventiveness we still have much to learn from the land and age which produced the most flourishing and creative culture of the ancient world Professor Hans Licht in this erudite and fascinating book discusses in full every aspect of the Ancient Greek s sexual life Civilizing Sex Patrick Riley,2016-10-06 A fascinating account of the role of sex as a civilizing force in the west this lucid and compelling book contends that keeping sex within marriage is essential for the well being of any society Riley explores the Judaeo Christian tradition on marriage and sexuality and shows how marriage came to contain the force of sexuality harnessing its energies to serve both the family and the wider community He argues that the idea that sex is entirely a private issue is an error with potentially disastrous consequences both for the individual and for society **Horrifying Sex** Ruth Bienstock Anolik,2007-07-16 The Gothic moment in literary history arose in the age of the Enlightenment and the Gothic fascination with the unknown reflects the Enlightenment s response to the limits of reason Traditionally the emblem of the unknown that lurks in the Gothic is the supernatural the monstrous and the inhuman Often overlooked is the observation that Gothic texts are also haunted by figures that represent the mystery of sexuality This collection of essays sharpens that observation and asserts that Gothic anxieties about sexuality are likewise rooted in fear of the unknown represented by sexual practices and desires that either lie hidden or deviate from cultural norms The first three sections refer to popular as well as marginalized Gothic texts to portray the three prototypes of sexual deviance the female sexual Other in *The Fatal Woman* the male sexual Other in *The Satanic Male* and the homosexual Other in *Homosexual Horror* The fourth section covers literary works that celebrate sexual difference and question the idea

that the sexually deviant is socially Other Sex and the Devil's Wager Lee Huxley, 2009 Anti erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution the male gaze and the natural love men have for the feminine body as a symbol of universal beauty The author whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans Lee Huxley claims to be a knower an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book Lee knows the truth the unthinkable that Jesus Christ the hellfire and damnation preacher is not the Son of God but the Son of Evil If Christ is the Son of Evil then Lee argues from this basis that Judaism Christianity and Islam are blasphemies This book asks how Western civilization could be founded on lies delusions and blasphemies that even today are still taken seriously This book is the result of a lifetime of research which has culminated in the formulation of the Devil s Wager The Devil s Wager challenges you the reader to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran namely that God will resurrect the human race and torture most of them in hell for all eternity Fifty per cent of the damned will be women The male God of monotheism is a hellfire pyromaniac Jesus Christ and Allah are arsonists who burn women alive This is the feminist issue of our times Lee uses the writings of theologian and lapsed Catholic Mary Daly one of the greatest feminist thinkers to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism *Sexual Health in Recovery* Douglas Braun-Harvey, 2010-12-15 Based on a curriculum that was successfully implemented and evaluated at Stepping Stone a drug and alcohol treatment program in San Diego Sexual Health in Recovery offers counselors a chance to understand and integrate basic sexual health principles into their work Addiction treatment professionals and their clients will then be able to comfortably and safely address sexual issues that may impede recovery and thus have a greater chance at successful treatment Key Topics Assessing a client s sex drug linked relapse risk Improving counselor confidence in talking about sexual issues Dealing with out of control sexual behavior Understanding how a client s sexual attitudes and values may help or impede recovery Discussing a client s sexual past when it impacts recovery Encouraging client s sexual health while in recovery Helping clients set expectations for sexual relationships while in recovery Overcoming counselor ambivalence about addressing sexual issues in treatment **Sex and Reason** Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don t act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today s Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner s rational choice theory surprises explains predicts and totally absorbs **The Science of Sex** John Allen Godfrey, 1901 **The Mammoth Book of Superstition** Roy Bainton, 2016-11-10 Rather than providing a dictionary of superstitions of which there are already numerous excellent

exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity's often illogical and irrational persistence in seeking good luck and avoiding misfortune While Steve Roud's two excellent books *The Penguin Dictionary of Superstitions* and his *Pocket Guide* and Philippa Waring's 1970 *Dictionary* concentrate on the British Isles Bainton casts his net much wider There are many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera *Moses und Aaron* resulted in a title with thirteen letters he renamed it *Moses und Aron* He believed he would die in his seventy sixth year 7613 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from without

Sexual Liberation and Religion in Nineteenth Century Europe J. Michael Phayer, 2017-09-11 This study originally published in 1977 demonstrates that a change in mentality in the nineteenth century drifted from traditional sexual controls and allowed them greater sexual freedom and indulgence The process occurred in such a way that the proletariat never considered whether their newly found sexual liberation might be in conflict with the moral teachings of the Church This title will be of interest to students of history and religion

Belliotti, 1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy
