ADRIFF AT SEA Tom Tin and his four convict companions are only too glad when they come upon a deserted ship The boys clamber aboard not knowing whether they've been saved or set on a course toward doom But after rescuing two men stranded on a melting iceberg Tom begins to suspect that these unsavory sailors are dangerous castaways from this very vessel The more Tom questions the men the more they dislike him So when Tom overhears them plotting to get rid of him he knows they mean it But the other boys don't feel threatened at least not until the sailors attempt to sell them as slaves a decision that ends with death for some and with Tom sailing the ship home to England Soon Tom discovers that he has to cast away every ill-intentioned companion from his voyage home before he can truly be free *Under Fire* Elizabeth Goodenough, Andrea Immel, 2008

Fisher,2011-01-01 Drawing on educational materials textbooks adventure tales plays and Sunday school papers Boys and Girls in No Man s Land explores the role of children in the nation s war effort **The Rag and Bone Shop** Robert Cormier,2001-12-04 Twelve year old Jason is accused of the brutal murder of a young girl Is he innocent or guilty The shocked town calls on an interrogator with a stellar reputation he always gets a confession The confrontation between Jason and his interrogator forms the chilling climax of this terrifying look at what can happen when the pursuit of justice becomes a personal crusade for victory at any cost In My Hands: Memories of a Holocaust Rescuer Irene Gut Opdyke,2008-12-18 IRENE GUT WAS just 17 in 1939 when the Germans and Russians devoured her native Poland Just a girl really But a girl who saw evil and chose to defy it No matter how many Holocaust stories one has read this one is a must for its impact is so powerful School Library Journal Starred A Book Sense Top Ten Pick A Publisher s Weekly Choice of the Year s Best Books A Booklist Editors Choice **Secret Heart** David Almond,2009-01-16 Joe Maloney is out of place in this world His mother wants him to be a man and he can t be that yet His only friend Stanny Mole wants to teach him how to kill and Joe can t learn that Joe s mind is always somewhere else on the weird creatures he sees in the distant sky the songs he hears in the air around him the vibrations of life he feels everywhere Everybody laughs at Joe Maloney And then a tattered circus comes to town and a tiger comes for him It leads him out into the night and nothing in Joe Maloney s world is ever the same again The transformative power of imagination and beauty flows through this story of a boy who walks where others wouldn t dare to go a boy with the heart of a tiger an unlikely hero who knows that sometimes the most important things are the most mysterious **The Lightkeeper's Daughter** Iain Lawrence,2007-12-18 Three years have passed since Squid McCrae last saw her parents and the remote island where she grew up She returns now at seventeen a young woman with a daughter in tow The visit she knows will be rough Lizzie Island paradise to some a stifling prison to others brings an onslaught of memories It is the place of Squid s idyllic childhood where she and her brother Alastair blossomed into precocious adolescents But Lizzie Island is also the place where Alastair died Now the past collides with the present as Squid s homecoming unleashes bittersweet recollections revelations and accusations But nothing is what it appears to be No one possesses the complete truth and no one is without blame From the Hardcover edition *British Children's Literature and the First World War* David Budgen,2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children s authors have continually attempted to engage with those changes explaining and interpreting the events of 1914 18 for young readers British Children s Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers

such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events *Bridges to Understanding* Linda M. Pavonetti,2011-08-18 This is the fourth volume sponsored by the United States Board on Books for Young People following *Children's Books from Other Countries* 1998 *The World Through Children's Books* 2002 and *Crossing Boundaries* 2006 This latest volume edited by Linda M Pavonetti includes books published between 2005 and 2009 This annotated bibliography organized geographically by world region and country with descriptions of nearly 700 books representing more than 70 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children's literature Like its predecessors it will be an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity **The Cannibals** Iain Lawrence,2009-03-25 As Tom Tin nears Australia where he is to serve a lengthy sentence for a murder he didn't commit he and his fellow convict Midgely plot their escape No matter that the ship carrying them and the other juvenile criminals is captained by Tom's father Tom knows his father can't help him clear his name and regain his freedom not as long as Mr Goodfellow a man who wants the ruin of the Tin family wields power back in London So Tom and Midgely decide to go overboard So do other boys who seize their chance at liberty boys who aren't so innocent and who have it in for Tom To make things worse the islands in the Pacific look inviting but Tom remembers his father's warnings headhunters and cannibals lurk there The boys go anyway And as conflict among them mounts as they encounter the very dangers Captain Tin spoke of Tom must fight to keep himself and Midgely alive

Re-visioning Historical Fiction for Young Readers Kim Wilson,2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist s potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in

a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers
