Victoria Jones,2019-06-13 SATAN The Heavens is not the only place that knows about the creation of Sierra Lurking around is Satan and he knew how essential Maxwell and Sierra would be to God Even from hell he could see how exquisite Sierra s beauty is He discerned she is the very nature and reason for every living thing place here on earth With the power of the Lord bestow in them to succeed their purpose also became important to the angles in heaven and envied by the demons in hell Lucifer knew that he was incapable of removing them unless he found a way that he could destroy them His desire was to destroy the very thing itself and its Character The women The Sixth rib **Don Q. in the Sierra** Kate Prichard,Hesketh

the letter she just received from Paul to soak in every word and memorize the photo he sent her but Thanksgiving at the Jensen house means relatives everywhere Sierra hides out immersed in her ideas for Paul's birthday and Christmas gifts especially his requested gift a photo of her Sierra's determined the photo has to be spectacular But a small voice of doubt nags at her What does God think of her ignoring her family and friends this way Is her picture perfect relationship with Paul really all she thinks it is Story Behind the Book After writing the twelve book Christy Miller series for teens a new character showed up on the pages of the final novel Her name was Sierra Jensen and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends Robin Jones Gunn

Sierra Jensen Collection, Vol 4 Robin Jones Gunn, 2009-02-19 College on the Horizon She's the bold free spirited type She's young she's fun and she's following God She's Sierra Jensen Christy Miller's good friend in her senior year of high school with college fast approaching In this fourth volume of the popular Sierra Jensen series Sierra's life becomes a roller coaster of decisions as she strives to Hold on Tight through choices about friendship honesty and college Then with high school graduation Closer Than Ever she eagerly plans for Paul's visit and can't wait to know where everyone will be going to college Finally in Take My Hand a misunderstanding with Paul means Sierra must start college hurt and confused Is the damage to their relationship as final as it feels Christy Miller knows a good friend when she meets her and so will you Sierra Jensen is better than ever Hold On Tight Decisions decisions That's all Sierra's life is lately Eager to escape the stress she can't wait to join her brother and a few friends on a road trip as they visit a university in Southern California and tack on a day at an amusement park It'll be great But right from the start things go wrong And suddenly Sierra's trip is full of more twists and turns than any roller coaster There's only one way to handle a wild ride like this hold on tight trust God to keep her safe and scream for all she's worth Closer Than Ever Paul is coming home What's more he's coming to Sierra's graduation party She spends every spare moment planning after all his visit has to be perfect Then more good news Sierra and Randy are accepted into Rancho Corona University Sierra couldn't be happier until she hears Vicki hasn't received an acceptance letter Does that mean Sierra and her friends won't be in college together But the worst news of all comes on graduation night There's been a terrible accident With limited information Sierra fears the worst Can she let go and trust her dreams to God Take My Hand What a year Not only is Sierra starting college but her older sister Tawni is engaged to Paul's older brother Jeremy As the two families prepare for the wedding Sierra's excitement grows At last she and Paul will be together face to face But their longed for reunion is marred by a costly misunderstanding that turns Paul away and sends Sierra off to college hurt and confused Only the gentle wisdom of Sierra's good friend Christy Miller helps her face a difficult decision But is it too late for Sierra and Paul Story Behind the Book After writing the twelve book Christy Miller series for

teens a new teen character showed up on the pages of the final novel Her name was Sierra Jensen and she was such a compelling character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends
