

A person is standing on a beach, looking out at the ocean during a sunset or sunrise. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon. The person is silhouetted against the bright light of the sun.

Lord am I really so
stubborn that the only way
to get through me is to allow
me to hurt before my life
can change?

Please help me see that
Your way is the only way,
help me to make the needed
changes before it feels like
all is lost...

Lord, I am on my knees....
Help me, Please help me as
You see necessary... Amen

From the day we were born God has anchored us numerous blessings Blessings that can't be bought by money Humans are the most powerful among all other creatures The most intellectual most capable and most favoured but despite of these attributes human chooses to ignore and abuse it We tend to forget where these all come from beyond boarder lines and explore the world as if we own it Despite it all God didn't stop reminding us how much he continually give comfort to our daily lives He forgive those who are wicked and provide those who are in need His teachings to make us whole again This is what I am trying to emphasize in this book I want all of us to revisit the church To make us realize especially those who are on the wrong path of life
