Shelley's Goddess Barbara Charlesworth Gelpi, 1992 The subject of Gelpi s new book is the importance of the mother infant relationship in Percy Bysshe Shelly s poetry and life However her book also uses Shelley as a touchstone by which to examine the rich historical and theoretical issues relevant to motherhood in the Romantic period Gelpi offers a detailed account of the historical rise in attention paid to mothering the changing cultural attitudes towards the role of the mother and the resulting effect on the nature of family life She further discusses the psychoanalytic Marxist and developmental approaches to the mother infant relationship particularly to the connection each makes between that relationship and the acquisition of language By combining psychoanalytic poststructuralist and feminist theory with extensive biographical material on Shelley and information on the position of mothers in England after 1790 Gelpi offers an important reassessment of Shelley s avowed feminism and the failure of his utopian vision **Shy by Design** Michael Thompson, 2024-07-16 Is your shyness holding you back from going after what you want Are you tired of feeling like you aren t good enough Do your self
