Los Hijos De Sanchezthe Children Of Sanchez:

Diccionario de escritores mexicanos, siglo XX: D-F Universidad Nacional Autónoma de México. Centro de Estudios Literarios,1988 **The Children of Sanchez** Oscar Lewis,2011-11-29 A pioneering work from a visionary anthropologist The Children of Sanchez is hailed around the world as a watershed achievement in the study of poverty a uniquely intimate investigation as poignant today as when it was first published It is the epic story of the Sanchez family told entirely by its members Jesus the 50 year old patriarch and his four adult children as their lives unfold in the Mexico City slum they call home Weaving together their extraordinary personal narratives Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane mystifying and moving An invaluable document full of verve and pathos The Children of Sanchez reads like the best of fiction with the added impact that it is all undeniably true Remembering a Massacre in El Salvador Héctor Lindo-Fuentes,Erik Kristofer Ching,Rafael Lara Martínez,2007 The authors provide the first systematic study of the infamous massacre now regarded as one of the most extreme cases of state sponsored repression in modern Latin American history *Policing the Mexican Past* Javier Trevino-Rangel,2022-04-21 This book critically examines transitional justice in Mexico It explores how the Mexican democratic regime dealt with the grave human rights violations perpetrated by security forces during the authoritarian era 1929 2000 through a Special Prosecutor's Office It offers a complete account of the diverse factors that facilitated the emergence and policing of Mexico's transitional justice process Whilst transitional justice should contribute to the advancement of liberal democracy and consequently generate the following benefits truth justice political reconciliation peace this book argues that Mexico is a case of transitional injustice It is an example of how in some societies transitional justice mechanisms are intentionally implemented in ways that instead of generating justice produce impunity It makes important contributions to some of the broader debates addressed by scholars on transitional justice and gives them reason to re-examine transitional justice processes in other countries in a new light Childhood and Modernity in Cold War Mexico City Eileen Ford,2018-02-22 Childhood and Modernity in Cold War Mexico City traces the transformations that occurred between 1934 and 1968 in Mexico through the lens of childhood Countering the dominance of Western European and North American views of childhood Eileen Ford puts the experiences of children in Latin America into their historical political and cultural contexts Drawing on diverse primary sources ranging from oral histories to photojournalism Ford reconstructs the emergent and varying meanings of childhood in Mexico City during a period of changing global attitudes towards childhood and changing power relations in Mexico at multiple scales from the family to the state She analyses children's presence on the silver screen in radio and in print media to examine the way that children were constructed within public discourse identifying the forces that would converge in the 1968 student movement This book demonstrates children's importance within Mexican society as Mexico transitioned from a socialist inspired revolutionary government to one that embraced industrial capitalism in the Cold War era It is a fascinating study of an

extremely important burgeoning population group in Mexico that has previously been excluded from histories of Mexico's bid for modernity Childhood and Modernity in Cold War Mexico City will be essential reading for students and scholars of Latin American history and the Cold War

Political Documentary Cinema in Latin America Antonio Traverso, Kristi Wilson, 2016-01-08 The chapters in this book show the important role that political documentary cinema has played in Latin America since the 1950s Political documentary cinema in Latin America has a long history of tracing social injustice and suffering depicting political unrest intervening in periods of crisis and upheaval and reflecting upon questions about ideology cultural identity genocide and traumatic memory This collection bears witness to the region's film culture's diversity discussing documentaries about workers strikes riots and military coups against elected governments crime poverty homelessness prostitution children's work and violence against women urban development progress under development capitalism and neoliberalism exile diaspora and border cultures trauma and post memory The chapters focus on documentaries made in Argentina Brazil Chile Cuba Mexico and Venezuela as well as on the work of Latino and diasporic Latin American political documentarians The contributors to the anthology reflect the cultural and linguistic diversity of current Latin American film scholarship with some writing in Spanish and Portuguese from Argentina and Brazil with their original works especially translated and others writing in English from Australia Europe and the USA This book was originally published as a special issue of Social Identities

Family Secrets Gloria González-López, 2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria González-López tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative González-López brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long

A Shared Truth Julie Ann Ward, 2019-04-18 Lagartijas Tiradas al Sol Lizards Lounging in the Sun is a Mexican theater company that performs what is known as theater of the real By taking reality as its subject this genre claims a special relationship to reality truth and authenticity In A Shared Truth Julie Ann Ward traces the development of this contemporary and cutting edge collective's unique aesthetic Based on performances play texts videos and interviews this in depth look at a single theatrical troupe argues that the company's work represents a larger trend in which Latin American theater positions itself as a source of and repository for truth in the face of unreliable official narratives A Shared Truth critically examines the work of an influential company whose collaborative methods and engagement with the real challenge the bounds of theater
