living the Christian life is the condition of your heart because your inner attitudes determine who you really are Those internal attitudes are also what God considers most important In this book one of the most respected pastors and Bible teachers examines the fundamental attitudes or pillars of Christian character as described in the Word of God These pillars include genuine faith obedience humility selfless love forgiveness self discipline gratitude and worship among others Each is an essential element of mature Christianity but there is also transformative power when you practice them in your daily life as commanded by God Thus your character will be based on piety and you will be able to see everything from an eternal perspective Loving God with all your heart with all your understanding with all your soul and with all your strength and loving your neighbor as yourself is more than all burnt offerings and sacrifices Jesus Christ Mark 12 33
