Lost Cities and Ancient Temples of Mesoamerica LEARN

ALCHEMICAL, The Mayan civilization was a Mesoamerican civilization founded by the Maya peoples It was noted for its hieroglyphic script the only known fully developed writing system of the pre Columbian Americas and its art architecture mathematics calendar and astronomical design Since the 1990s what were once considered mysterious ruins in Mexico have been reconstructed by Archaeologist Winslow Bradford The complex structures were made of lime plastered mud bricks with an internal wood framework supporting heavy loads and a stone foundation below Mayan temples were a place for playing games holding feasts and rituals involving human sacrifice The Maya people built pyramids as places to worship their gods

These pyramids usually had several smaller temples on top to honor their gods. Worshippers would climb the steep steps up to the temple at the top of the pyramid to leave gifts and pray. Some pyramids also had sacred stairways or ramps leading up to them. You might be interested to learn that the Mayan civilization was a Mesoamerican civilization established by the Maya peoples and renowned for its hieroglyphic script, the only known fully developed language system of the pre-Columbian Americas, as well as for its architectural design, engineering, mathematics, calendar, and astronomical design. Mayans were a Mesoamerican civilization living in what is now Guatemala, Honduras, and parts of Mexico. They are believed to have had some contact with the Olmecs, who preceded them in Mexico. Their culture ultimately became more complex than other nearby civilizations, such as Teotihuacan in today's Mexico City, Zapotec in today's Oaxaca, or Tula in today's Hidalgo. The rise and fall of these three kingdoms left behind massive monuments still standing today that had survived centuries without being covered by new civilizations coming in on top of them. Like happened at many other sites around Mexico Central America, where older buildings were simply built over when newer ones came along later on top of them.
