*Lotus Land* Peter Anthony Thompson, 1906      *Pilgrims in Lotus Land* Robert Kenneth Burkinshaw, 1995 *Pilgrims in Lotus Land* explores the remarkable growth of evangelicalism in an intensely secular province during the twentieth century Robert Burkinshaw explains why evangelicalism held such appeal paying particular attention to the distinctive character

Lotusland David Joiner, 2025-02-26 In its revised ten year anniversary edition *Lotusland* remains one of the only works of fiction by a US author to bridge the literary gap between the Vietnam War and contemporary Vietnam Nathan Monroe is a 28 year old American living in Saigon who falls in love with a talented and ambitious Vietnamese painter When he faces crises of love and his own ambitions his safety net appears in the form of Anthony an old domineering friend in Hanoi who runs a successful real estate firm Only much later does Nathan discover that Anthony has plans for him which clash with his desire to integrate into Vietnamese life Little do they know what lies in store for them after Anthony recklessly takes both of their futures into his own hands With lyrical prose and an eye on the social dynamics of a culture undergoing great change *Lotusland* dramatizes the power imbalances between Westerners living abroad and between Westerners and Vietnamese in love and friendship in the consequences of war and in the pursuit of dreams This edition features a brand new cover foreword two author interviews and an essay by the author on writing about Vietnam      Lotusland WR

Woodbury, 2023-04-01 Two night owls who have been friends since childhood reconnect and share an apartment overlooking the Vancouver skyline Rita plies her trade out of a swanky nightclub while Cole a bisexual cab driver ferries the drunk and the dispossessed around the slick neon streets Violence is not uncommon in either profession so it isn't long before the bodies of random acquaintances show up dead in what could be a maniac's killing spree There is tension between the main characters the police various ethnic groups gays of all stripes and a handful of rival factions who are out to control the lucrative transportation industry that the busy seaport generates When Rita disappears Cole conducts his own investigation playing footsie with the police and ends up bringing murderous violence closer to home than he intended      A Trip to Lotus

Land Archie Bell, 1917      *Beyond Illusion* David R. Hawkins, MD/PHD, 2025-04-29 Best selling author and spiritual pioneer Dr David R Hawkins offers insights into the illusory nature of existence and how to realize a state of higher consciousness In this new book derived from Dr David Hawkins's popular Way to God lecture series he explores perception and illusion how the truth becomes distorted and ultimately the root of consciousness In Part One Dr Hawkins explains how the ego functions in society and that the world out there is a projection of what is within us He confirms that everything is happening on its own and everything is perfect right now He also discusses quantum mechanics and how what you hold in mind tends to manifest In addition he talks about why people don't change even after hearing spiritual truths and how to alleviate this problem In Part Two Dr Hawkins discusses the time honored tradition of meditation which he informs us is our natural state Instead of covering the numerous styles of meditation he delves into the essence of the meditation process itself He talks

about how we can obtain the benefits of meditation without going through formal renunciation Dr Hawkins explains two valuable ways of meditating which he experienced himself He also tells us of the various ways to transcend the mind to become aware of the presence of God Canadian Baptist Fundamentalism, 1878-1978 Taylor Murray, Paul R. Wilson, 2022-04-01 As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries Canadian Baptist Fundamentalism fills an important gap in the historiography It explores the contributions of well known fundamentalists such as T T Shields William Bible Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan E J Stobo and T A Meister Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada By drawing on material from across the country Canadian Baptist Fundamentalism addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study *The Evolution of Consciousness* David R. Hawkins, M.D., Ph.D., 2024-10-15 Spiritual teacher and best selling author of Letting Go offers a thorough explanation of the levels of consciousness In this book renowned spiritual teacher Dr David R Hawkins offers an in depth look at each level in the Map of Consciousness and how it relates in general to the whole field of consciousness He also defines what is meant by linear and nonlinear content and context as well as the radical state of subjectivity awareness and consciousness The Map of Consciousness is used to illuminate the understanding of the ego and our programs and how to be free of them As Dr Hawkins explains the Map is not a hierarchy of worthiness but more like a prism that breaks up the light into different colors Spiritual work is making choices that move us up toward the Light In the second half of this book Dr Hawkins explores How to transcend positionalities Why just hearing certain information can be transformational That there is no such thing as nothingness The Progressive Fields of Realization and the theory of evolution How to disassemble the ego The basics of quantum mechanics Throughout Dr Hawkins speaks on the emergence of positive spiritual energy that is dominating the consciousness field of mankind with profound implications for everyone The whole use of this scale the whole use of what we learn from it is merely to support the intention on the part of everyone here to move forward in consciousness and to fulfill the human potential Letters From Lotusland Ian Whitcomb, 2010-02 Ian Whitcomb One Hit Wonder British Invader of the 1960s and teen heart throb never went home Instead he tried to settle down in Los Angeles County where over the years he produced a Grammy winning CD wrote songs for movies auditioned for butler roles in TV commercials had and lost dogs married successfully and continued to play his ukulele as the ship went down Now the entire soap opera 1996 2008 roped together in hard copy with appropriate photos can be relished as a roller coaster of self pity vaunting and failed ambition jealousy bathos and pathos culminating in a Big Dream In other words this is a comedy book Mainline Show Biz may have passed Whitcomb by but here in these precious pages he creates his own world of heroes and villains with himself as King in order to get sweet revenge through the twisted lingo of his India rubber sword

**Altruism in World Religions** Suzanne Neusner,Bruce Chilton,2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one s own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In Altruism in World Religions prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman philia to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied
