American Indians at the Margins H. Roy Kaplan, 2022-05-11 Since the earliest days of America racist imagery has been used to create harmful stereotypes of the indigenous people In this book the conflict between invading European white settlers and the indigenous groups who occupied the land that became the United States is described through the context of race and racism Using depictions from art literature radio cinema and television the origin

and persistence of such stereotypes are explained and their debilitating effects on the well being of Indians are presented
