Love Above All:

Love Above All Bernard Demaere, 2018-01-29 In your quiet times with the Lord this book will inspire you to love God and others in a more meaningful way Love will come and give you a purpose for life Sometimes in a subtle way and at other times in a more obvious way the love of God which is more affirmative than any other love will motivate you through life's various situations whether it be a job or home and family The answer to most of our problems in life seems to stem out of situations related to love or lack of it Take a step in the right direction now and love in a more practical way Make a mark in your world Some of us do not know what love is We hear a great deal about loving our self but can we love our self or someone else if we don't know what love is Love comes from God and he loves us in more ways than one It can be through people or even through the presence of our pets Love cannot be explained it must be believed to help us in any way If you are curious about who God is this book is also for you because at times it attempts to answer some of life's difficult questions God is not a Santa Claus and he is not a mad being ready to punish his creation But who does the Bible tell us God is The Works of that Eminent and Most Learned Prelate, Dr. Edw. Stillingfleet, Late Lord Bishop of Worcester: Life and character [by R. Bentley]. Fifty sermons Edward Stillingfleet, 1710 The Love Chapter St. John Chrysostom, 2009-11-01 Now available in a popular contemporary English translation for the first time important reflections of St John Chrysostom on 1 Corinthians Chapter 13 One of the most important passages in the Scriptures 1 Corinthians 13 is often read and rarely followed Medieval theologian John Chrysostom was called the golden mouthed one for the eloquence of his preaching His reputation extended from his native East to the Christian West and he is remembered today as a Church Father for the entire Church *The Blessed Family* Matthew Bullen, 2005-11 Have you ever wondered how to build a happy Christ centered family Do you long for peace and harmony in your home Does your heart desire to build a family that brings glory to God Would you like to opt out of the rebellious and destructive youth culture and raise joyful godly young people Can you envision future generations of your family walking faithfully with the Lord and do you wonder how you can prepare your children for such a legacy In *The Blessed Family* the Bullen's delve into God's Word to reveal a plan for families and to share how timeless principles found there can help you to build a home that is a little piece of heaven on earth *The Mystery and the World* Maria Clara Bingemer, 2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment The modern era is characterised by a major change in humanity's fundamental desires that means that reason has taken the place of faith Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives Bingemer examines this transition and how especially in the postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher

power and that even in our world of instant satisfaction we still need to fill the void left by religion Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence The Christian Oratory
