*Interracial Lovers in Revolutionary China* D. E. Mungello, 2023-07-14 In the twentieth century China underwent a monumental dynastic change and was transformed from an outmoded monarchy into a modern communist state This century of revolutionary change was marked by political upheaval and social chaos It was a period in which Chinese began to go abroad to study and conduct business while foreigners came to China for economic opportunity and adventure In the process Chinese and foreigners began to meet and form romantic relationships These love affairs fengliu yunshi are notable because they coincided with the last phase of Western imperialism including its lingering racial prejudices and even laws against interracial sexual relationships Conversely in China there were periodic outbreaks of hostility and violence against foreigners This book explores the interracial relationships of twenty two people who transcended these obstacles to cross color lines and fall in love

**Woman, the Actuality** A.K. Pant,2010-11-19 Marriage is not a moral sexual debauchment consented by the society instead it describes an ethical limit of morality in sexual relations beyond which the sexual relations are considered to be illicit or adultery Marriage is a great attempt to keep the society free from sexual debauchment by assigning one man for one lady and one lady for one man Marriage is not a compulsion instead it is a confession done with mutual consent to live a peaceful life devotedly with each other From the point of view of sexual relations marriage is a factor which distinguishes human from animals It is sacred tribute to ancestors It is an indication of family succession or genealogy Marriage is a ritual to provide social as well as legal acceptance to the child in the womb Marriage is an indication of the death of the parents in the form of coming generations as it assures the eternal truth that older one has to end to provide the life and opportunities to the incoming generations For men marriage is in fact performing the moral ritualistic and materialistic duties while for women this is mere the accomplishing of sanctifying rites and following the codes of conduct Marriage is not an agreement done on behalf of a legal contract instead it is a complete dedication free from compulsions Wherever forementioned feelings do not exist in the background of the objectives of marriage there marriage means mere accomplishment of sexual

satisfaction and false ego and in this situation marriage is just like a contract which if done by a man with one lady or four ladies is mere sexual debauchment in the point of view of the morals and ethics **Talking Dirty** Carole

McKenzie,2014-01-02 Women should be obscene and not heard John Lennon The only unnatural act is that which you cannot perform Alfred Kinsey Fat people are brilliant in bed if I m sitting on top of you who s going to argue Jo Brand What most women want is not a man who ties you to the bed but one who unstacks the dishes while you watch The Great British Bake Off Harriet Harman Throughout the centuries talk of sex has proved irresistible producing wide ranging responses contradictory remarks denouncements and appraisals something seen as harmless by one is often condemned as damnable by another Whatever your sexual preferences Talking Dirty is a hugely entertaining treasury of wit on this endlessly entertaining and controversial topic *The Love Affairs of Nathaniel P.* Adelle Waldman,2014-05-06 In this 21st century literary world wit and conversation are not at all dead Is romance Novelist Adelle Waldman plunges into the psyche of a modern man who thinks of himself as beyond superficial judgment yet constantly struggles with his own status anxiety who is drawn to women yet has a habit of letting them down Dust jacket flap **The Origins and Role of Same-Sex Relations in Human Societies** James Neill,2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

**Hijras, Lovers, Brothers** Vaibhav Saria,2021-05-18 Winner 2023 Bernard S Cohn Prize Association for Asian Studies Winner 2021 Joseph W Elder Prize in the Indian Social Sciences Winner 2021 Ruth Benedict Prize Association for Queer Anthropology Honorable Mention 2023 Anne Bolin Gil Herdt Book Prize Human Sexuality Anthropology Interest Group Hijras one of India s third gendered or trans populations have been an enduring presence in the South Asian imagination in myth in ritual and in everyday life often associated in stigmatized forms with begging and sex work In more recent years hijras have seen a degree of political emergence as a moral presence in Indian electoral politics and with heightened vulnerability within

global health terms as a high risk population caught within the AIDS epidemic Hijras Lovers Brothers recounts two years living with a group of hijras in rural India In this riveting ethnography Vaibhav Saria reveals not just a group of stigmatized or marginalized others but a way of life composed of laughter struggles and desires that trouble how we read queerness kinship and the psyche Against easy framings of hijras that render them marginalized Saria shows how hijras makes the normative Indian family possible The book also shows that particular practices of hijras such as refusing to use condoms or comply with retroviral regimes reflect not ignorance irresponsibility or illiteracy but rather a specific idiom of erotic asceticism arising in both Hindu and Islamic traditions This idiom suffuses the densely intertwined registers of erotics economics and kinship that inform the everyday lives of hijras and offer a repertoire of self fashioning beyond the secular horizons of public health or queer theory Engrossingly written and full of keen insights the book moves from the small pleasures of the everyday laughter flirting teasing to impossible longings kinship and economies of property and substance in order to give a fuller account of trans lives and of Indian society today *The Rulership Book* Rex E. Bills,2007-06-13 This volume a directory of astrological correspondences is the result of a research project that drew together the thoughts of many others into a reference book assuming the role of a dictionary to astrologers but vastly more complete It is the only place where all sign planetary and house rulerships have been brought together and put in a good workable order It is organized in such a way that one can use the book for quick and easy reference and it eliminates the need to search through various other volumes In four parts an alphabetical listing a listing by planets a listing by signs a listing by houses Plus an Appendix with special listings principal bones of the body principal veins of the body chart of an organization flavors and handwriting forms Enthusiastically endorsed and used by professionals and students alike no reference library is complete without this best selling volume *The Voice of the Seven Thunders* George Kevyn Weber,2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity The current synopsis is catchy and
