Love After Death:

Love After Death Wendy Bunning, 2012-05-11 Love After Death is about actively engaging in a positive relationship with a loved one who has died. Some people do it naturally; we call them mediums, but this is not to say that the capacity to commune with someone who has died is only available to the select few. We can all do it. We can all draw back the thin veil that separates the living from the dead. Love does not cease to exist because of death. Love is eternal and never dies. This book is for you if you would like to learn how to keep the lines of communication open with your loved one even though they have died. This book is for you if you have ever felt that you have communicated with someone who has died, have had a near death experience, or indeed are just curious about the phenomena and extraordinary experiences that surround death. Love After Death includes free self-hypnosis audio downloads specifically designed to facilitate after-life communication. Love After Death contains real-life stories of after-death communication, ADC, nearing death awareness, NDA, and near death experience, NDE.

Prepared Love Carol Ward, 2017-12-22 Color Edition Have you ever experienced the pain of the death of a loved one? Are you caring for someone who may not be here for much longer? Does the thought of losing your loved ones frighten you? Death is a part of life. It is as inevitable as night following day or the rise and fall of the tide. So why do so many of us not think about planning for the eventuality? In this book, Prepared Love, When Love After Death Lasts a Lifetime, author Carol D. Ward explains her own loss of her beloved parents through the story of their lives from the day they met until the day they were parted. In heartfelt chapters which go much deeper than the pain of loss that many other books on the subject go, you will find a love story like no other. Dealing with grief during the loss of loved ones, inspirational words, and Bible scriptures that can help your grieving soul. The meaning of PREPARED LOVE from the author's standpoint and how it will last a lifetime. A collection of beautiful poetry. And lots more. There is nothing more important than preparing ourselves for the final goodbye. Carol D. Ward's parents understood this better than most and prepared their family for what was to come. Read about their extraordinary lives and their incredible love and learn how you can cope when loss is at your door.

The Teachings of Emanuel Swedenborg: Vol III Emanuel Swedenborg, 2016-10-20 Swedenborg experienced dreams and visions in which he was appointed by the Lord to write a heavenly doctrine to reform Christianity. He claimed that the Lord had opened his eyes so that he could freely visit heaven and hell and talk with angels, demons, and other spirits. His best-known book is Heaven and Hell. The destruction of the world is not meant by the day of the last judgment. Those who have not known the spiritual sense of the Word have understood that everything in the visible world will be destroyed in the day of the Last Judgment, for it is said that heaven and earth are then to perish and that God will create a New Heaven and a New Earth. Here are all three of his Last Judgment books: Last Judgment, Last Judgment Continued, and Last Judgment Posthumous. Understanding Prayer for the Dead James B. Gould, 2016-08-04 Throughout history, Christians have prayed for the dead, both for continual growth of the faithful and for their advancement from purgatory, though not for the deliverance of the unsaved from hell. This

book defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the center of God's purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned
