Taming Alabama Paul M. Pruitt, 2010-07-20 Taming Alabama focuses on persons and groups who sought to bring about reforms in the political legal and social worlds of Alabama Most of the subjects of these essays accepted the fundamental values of nineteenth and early twentieth century white southern society and all believed or came to believe in the transforming power of law As a starting point in creating the groundwork of genuine civility and progress in the state these reformers insisted on equal treatment and due process in elections allocation of resources and legal proceedings To an educator like Julia Tutwiler or a clergyman like James F Smith due process was a question of simple fairness or Christian principle To lawyers like Benjamin F Porter Thomas Goode Jones or Henry D Clayton devotion to due process was part of the true religion of the common law To a former Populist radical like Joseph C Manning due process and a free ballot were requisites for the transformation of society

Jefferson Davis's Flight from Richmond John Stewart, 2014-12-24 In the space of a few hours on the night of April 2 1865 Richmond the Confederate capital was evacuated and burned the government fled slavery was finished in North America Union forces entered the city and the outcome of the Civil War was effectively sealed No official documents tell the story because the Confederate government was on the run First there were newspaper accounts mostly confused then history books based on those accounts But much of what we know about the fall of Richmond comes from eyewitnesses like Confederate Navy Secretary Stephen Mallory whose tale became history A great deal of what has

been presented over the years by historians has been plagiarized invented or misconstrued and nearly all we have learned of Jefferson Davis's flight from Richmond to Danville is wrong This book closely examines all relevant source material much of it newly discovered by the author as well as the writers diarists and eyewitnesses themselves and constructs a minutely detailed new account that comes closer to what Abraham Lincoln had in mind when he said History is not history unless it is the truth
