Love And Remembrance:

Memorials of love and remembrance... American Memorial Company,1934* Love's Forgiveness John

Lippitt,2020-09-25 Love's Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean's Dead Man Walking Thordis Elva and Tom Stranger's South of Forgiveness and Ian McEwan's Atonement

The Mother's Legacy of Mother Love, Bright Hopes and Cherished Memories D. H. Wever,1908 **Love in Sufi Literature** Omneya Ayad,2023-09-27 Focused on A mad Ibn Aj ba an eighteenth century Moroccan Sufi scholar renowned for his contribution to Sufi Qur'anic exegesis this book engages critically with his theory of divine love to elucidate his impact on the wider field of Qur'anic scholarship The principal source of analysis is Ibn Aj ba's Oceanic Exegesis of the Qur'an which connected theoretical works on the concept of divine love to their practical application a breakthrough in Sufi literature Close analysis of this text is supplemented by a comparative approach focusing on several other eminent Sufi commentaries including those of Ab al-Qasim al-Qushayr and Ruzbihan Baqli Shirazi This comparative approach situates Ibn Aj ba's thought in theological and historical perspective engaging with his mystical approach which integrates his theory of divine love with other Sufi doctrines in an accessible manner This approach it is argued left an indelible impact on future generations of Qur'anic exegetes within North Africa and across the Islamic world The book will prove an important resource for academic researchers who wish to explore the vast intellectual heritage that Ibn Aj ba left as well as to those interested in Sufi literature and Islamic theology in general Marion, Love, and Nihilism Matthew C. Kruger,2024-11-19 The foundation of this book is the work of Jean-Luc Marion who writes at length about the problems of vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the

respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In Marion Love and Nihilism Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion s thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion s work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion s thought ends in world denial and thus fails find a complete answer to nihilism **The feast of divine love** Edward Henry
