*Love Beyond the Grave* Hans Holzer, 2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind To some they are inseparable when the body dies so does the mind But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body These people accept the existence of the spirit as the eternal factor of human life believing that this part of man does not die when the body dies but continues its existence beyond death According to Dr Hans Holzer author of *Love Beyond the Grave* and many other books on the spiritual world we already have a wealth of hard evidence regarding this next state of existence Strong emotions are considered essential in order to make contact with someone from the spiritual world We usually equate such emotions with anger or with crimes of passion Dr Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in *Love Beyond the Grave* he gives many examples of such relationships including Sally and the Highwayman The Case of the Spurned Lover The Strange Case of the Psychic Callgirl The Ghostly Bedmate and The Affair Death Could Not Stop This is an extraordinary collection of twenty one cases of love beyond the grave all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy Hauntings and

Poltergeists James Houran, Rense Lange, 2015-08-13 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world's most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists Southern Folklore, 1995 **Visitors**

**from beyond the Grave** Dámaris Romero-González, Israel Muñoz-Gallarte, Gabriel Laguna-Mariscal, 2019 The monograph deals with the topic of ghosts in universal literature from a polyhedral perspective making use of different perspectives all of which highlight the resilience of these figures from the very beginning of literature up to the present day Therefore the aim of this volume is to focus on how ghosts have been translated and transformed over the years within literature written in the following languages Classical Greek and Latin Spanish Italian and English **Ghosts of the British Isles** Robin Wickens, 2024-06-10 Join us on a haunting journey through the misty moors and ancient castles of the British Isles in this chilling collection of spectral stories From the ghostly residents of haunted castles to the restless spirits of forgotten

battlefields Ghosts of the British Isles weaves a tapestry of 100 spine tingling tales that will send shivers down your spine Delve into the world of the supernatural where long buried secrets and lingering phantoms roam the halls of history Prepare to encounter both malevolent and melancholic spirits as you explore the rich tapestry of British folklore and legend Dare to uncover the mysteries that lie within the shadows and discover the ghostly whispers that echo through the ages This collection promises to bewitch and bewilder making Ghosts of the British Isles a must read for avid fans of the paranormal and aficionados of eerie English lore

**Ricardo Palma's Tradiciones** Elisa Sampson Vera Tudela, 2012-02-23 Ricardo Palma's Tradiciones is the first full length account of Ricardo Palma informed by theories of cultural criticism Elisa Sampson Vera Tudela sheds new light on important aspects of Palma's work She offers a fresh interpretation of the relations between history and literature perhaps the most discussed aspect of Palma's work engaging with new critical thinking on historicism and examining the significance of the marginal and the anecdotal in Palma's work By using the tools of postcolonial cultural criticism Vera Tudela considers Palma's encounter with modernity arguing that his recuperation of colonial history plays a crucial part in imagining the modern future Most innovatively Vera Tudela examines the multiple and contradictory notions of femininity in nineteenth century Latin America and in Palma's writing showing how a historical consideration of the sexual politics of cultural production transforms our understanding of many of the assumptions about this period Finally by applying the insights of cultural geography in analysing the racial sexual and political identity of domestic urban and national space in Palma's writing Vera Tudela demonstrates that Palma's literary maps and topographies are uniquely revelatory of questions of power and agency In its exploration of sexual politics and nationhood Ricardo Palma's Tradiciones presents Palma as a proto modernist who paved the way for many of the experiments of twentieth century Latin American narrative fiction
