Chambers's Journal of Popular Literature, Science and Arts ,1836 **Bob Frost - A Trail Of Pennies** Stephen J. Napolitano,2010-04-22 This collection of thoughts and ideas came from an outcry of pain and suffering Many people are in need to be listened to and call for action I just wanted to freestyle with writing and help those believe in themselves The more I wrote the larger the readership grew I received correspondence from all over on how a certain story helped them in some way Sometimes I was asked to write something to inspire an event that was coming up and it ended up inspiring the masses My intention was simple just to write what I felt on certain things and remind people how important and special they are There are many people that feel lost and need guidance and I assumed a role to simply guide those lost souls Most people I have encountered never were lost They were just sidetracked off their path or journey The snowball effect happened as I wrote more and these are a collection of my most favorite stories These aren t mine they belong to you the reader They have helped so many and I hope they help a new group of people by getting the word out Bob Frost was created a while ago for my love of Robert Frost I first heard Nothing Gold Can Stay from The Outsiders and fell in love with the poem I ve been studying his many quotes and poems and made me look up to him as a writer mentor and even friend I took his name in celebration of his work and wishful thinking I joined an anonymous website to express some personal issues in my life and quickly found others just like me People had gotten to know me as Bob and I stuck with it My real name real life make no difference and I preferred to remain an unknown person writing to many people about what they wanted to talk about Some chose to write about happy things and some wanted to vent and get some answers To me it s the never ending quest for wisdom and knowledge I possess none or pretend that I do These stories are just my opinions not facts I don t have a degree in anything other than life I m a middle class male in America trying to find my own way in life my path I don t boast a PhD in anything other than hard knocks I love to write and I enjoy helping others effortlessly If I don t have an answer for you I ll find out one and help you any way I can I m here to live my life and walk my path What I didn t realize is that while I live my life I encounter others on my path Some are looking for guidance some are looking for a helping hand Some people just ignore and keep on walking I refuse to believe in that way of thinking As much as I argue with others about what I do I feel the personal need to listen to every voice that write or talks to me It makes for a difficult life for me but the rewards mean more to me than anything You have to sacrifice so much to be happy You have to sometimes put everything and everyone aside and believe me I did at first I lost a lot but later found out it was the others that lost me It took a long vigorous process for me to accept the fact that not everyone is going to accept me I ve tried my whole life to be accepted and I still feel as if I m not totally a part of society So I write on and hopefully help others feel comfortable and at ease I have always been an empath and that alone is a pain that I wouldn t wish on anyone Believe me it s mostly my own fault for being so na ve but like I stated

before the rewards are limitless So many people have thanked me and told me stories of success The last couple of years I ve told that I should publish my writing and try to get this message out to as many people as I can After much thought I decided to go for it This book represents who and what Bob Frost is I hope I don t come off as pompous but I finally separated myself from my alter ego I am an individual and that s why I have come out and did this I don t use politics or religion in my writing I feel the human soul is enough of a religious and political struggle within you I don t use it a **Dare to be Jesus** Molly McCoy,2021-09-24 Welcome to Jesus World where Born Again Christians find Spiritual Encouragement to be Jesus to their world This is Jesus Special Invitation to every Christian to enter into His Divine World of Witnessing RSVP to King Jesus ASAP The moments and days are quickly slipping away like the grains of sand through an hour glass Carpe diem There is a Mighty King to be followed an evil foe to be defeated and an Eternal Reward to be gained Today is the day to take a deep Spiritual Breath and Go for it Turn the pages as you turn your life over to Jesus in you The Complete Concordance to Shakespeare Mary Cowden Clarke,1881 **Dispatches from the Vanguard** Patrick Howell,2020-08-11 A collection of writers poets artists social entrepreneurs and political activists in the Global International African Arts Movement speak about their work in the context of Trump giving a voice to the voiceless and about the 5th estate of power in this timely and important book Scheduled for release at the top of the 2020 US Presidential election Dispatches from the Vanguard channels the global soul s hunger for freedom from authoritarian control Partnering with dozens of Pulitzer Prize Winners New York Times Best Sellers poet laureates TED speakers and influencers within the Global International African Arts Movement including Ishmael Reed Tyehimba Jess Rich Fresh Nikki Giovanni Nnedi Okorafor Chester Higgins Tori Reid and Jaki Shelton Green Dispatches offers a poignant high frequency rebuke of Donald J Trump actual man strawman and metaphor for white privilege and capitalist despotism and his ruthless amoral presidency As we approach a key moment in the recent history of American politics Dispatches from the Vanguard is a timely intervention showing us how we can challenge the impact and influence of politics when it is solely a means of authoritarian control
