Love for All Your Worth Joseph C. Aldrich, 1985 Biblical Counsel ,1993 **Koinonia Authentic Fellowship** Charles R. Swindoll, 1985 **Christianity Today** ,1985 West Coast Review of Books ,1985 **TV Guide** ,1987 *The Cumulative Book Index* ,1988 A world list of books in the English language Story Work/Story Play Mary LaMont, 2023-05-02 A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book s final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one s own unique Guiding Story **American Book Publishing Record** ,1996 Starting Monday Karen, 2013-10-21 Starting Monday is based on the simple premise that when our behaviors don t align with our expressed intentions we ve got a conflict going on often outside of our awareness The book helps readers dig deeply into their psyches to figure out what mistaken beliefs and needless fears are holding them back from achieving their health and fitness goals The polarized feelings for disregulated eaters to identify and resolve fall within these 7 key areas 1 create lasting change 2 making conscious choices 3 feel deserving 4 how to comfort themselves 5 know what s enough 6 manage intimacy and 7 developing a healthy identity Starting Monday first helps readers unearth their mixed feelings in these seven areas then teaches them how to change their beliefs and behaviors to resolve them Using humor plain talk examples from her clinical experience reflection exercises case studies and homework Koenig lets troubled eaters know that their yo yo patterns of eating and self care are due to conflicts She shies away from easy answers and instead provides hope and concrete actions to developing a permanent positive relationship with food **Paperbound Books in Print** ,1992 Books in Print ,1987 *Subject Guide to Books in Print* ,1971 The Parent Survival Guide Theresa Kellam, 2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent s own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time

as the catalyst for interpersonal connection and growth Kellam's model is subtle in its simplicity Through a series of guided exercises Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks Features of the book include Parent Survival Tip at the start of each chapter Original cartoon illustrations bring text to life Short but insightful worksheet questions bring focus to the program The Parent Survival Guide is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program But the material in the book is designed to be read and implemented by anyone The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family
