Love Happens:

When Love Happens... Manish Kumar, 2017-11-10 True love never dies It is redefined every time you feel it When Nish falls in love little does he know the impact it is going to have on his life Hailing from conservative backgrounds love is nothing less than war with the world for the lover and his beloved Albeit limited communication they still dare to dream of a life together But with the pressure of attaining stability in life he finds it impossible to chase his dreams endlessly An unassuming man from a modest background he fights helplessness and challenges thrown at him by life only to learn precious life lessons His faith in God gives him the strength to move on and find his calling in writing and poetry When Love Happens is a tale of shattered dreams and redemption of fear and fortitude and above all of the indomitable human will

LOVE HAPPENS [videorecording]. ,2010 Real Love Mary Beth Bonacci, 1996-01-01 Mary Beth Bonacci speaks to nearly 100 000 people every year She speaks to Catholics across the country and around the world about friendship about relationships about marriage about God s plan for sexuality and about finding real honest love And people speak back to her They ask her questions about sex about dating about healing after a shattered relationship about marriage about their struggles to live love Their questions are real specific and often very poignant Now for the first time Mary Beth has published those questions and her answers in a comprehensive readable guide which addresses the details of the very real struggle that people face in trying to live real love in a world gone mad Through these questions and her answers Mary Beth offers a comprehensive catechesis of the Church s teaching in the areas of marriage and human sexuality She tackles the toughest issues premarital sex contraception divorce homosexuality pornography and others She gives practical advice on living the Church s teachings She offers compassionate support for those who have stumbled And throughout it all she demonstrates that a living respect for God s gift of sexuality is the way the only way to find real honest love **Incidence Of Love:**

Precious Gift of Life Pejman Aghasi, 2007-08 Love is the only hope It is only because of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly

phenomenon on this earth Everything else is earthly therefore it is only through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of Love The Most Precious Gift of Life the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment *Love Always.
