Love in the Sky Gulzar,2017-01-19 The colours on your two wings are not the same one s a brilliant yellow and the other is just the shade of ripe jamun berries I so love May I call you Jamuni You are so pretty And every time she would flutter her wings and fly away in one smooth move Ghuggu is a crow and Jamuni the one he loves a love of of bright yellow and purple who comes out every afternoon to fly in the sky silent and lovely Ghuggu falls in love with her not knowing why she will never speak back to him not knowing why she will never fly to him He sees one day that she is tied to her owner with a thread a sharp thread that can cut and he mourns for her freedom One day a storm brews and when the Jamuni comes out the crow runs to her to protect her but can he protect himself Gulzar perfectly captures the sweetness of love in this charming delightfully silly story of love

The Parisian Prowler Charles

Baudelaire,1997-01-01 From Edouard Manet to T S Eliot to Jim Morrison the reach of Charles Baudelaire's influence is beyond estimation In this prize winning translation of his no longer neglected masterpiece Baudelaire offers a singular view of 1850s Paris Evoking a m range of reactions these fifty fables of modern life take us on various tours led by a fl neur an incognito stroller Through day and night in gleaming caf s and filthy side streets this alienated yet compassionate esthete muses on the bizarre in the commonplace the sublime in the mundane As the work reveals a teeming metropolis on the eve of great change we see a Paris as contradictory surprising and ultimately unknowable as our guide himself Superbly complemented by twenty one period illustrations by Delacroix Callot Manet Whistler Baudelaire himself and others The Parisian Prowler is an essential companion to Les Fleurs du Mal and other works by the father of modern poetry In the preface to this edition translator Edward K Kaplan explains how the volume's illustrations act as a graphic subtext to the narrator's observations

Love & Light

Clayten Tylor,2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth

Perfect Love, Imperfect Relationships

John Welwood,2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love s full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world
