Love is an Uphill Thing Jimmy Savile, 1976 Going Public Julie Macfarlane, 2020-09-14 It took Julie Macfarlane a lifetime to say the words out loud the words that finally broke the calm and traveled farther than she could have imagined In this clear eyed account she confronts her own silence and deeply rooted trauma to chart a remarkable course from sexual abuse victim to agent of change Going Public merges the worlds of personal and professional activism and scholarship Drawing upon decades of legal training Macfarlane decodes the well worn methods used by church school and state to silence survivors from first reporting to cross examination to non disclosure agreements At the same time she lays bare the isolation and exhaustion of going public in her own life as she takes her abuser to court challenges her colleagues and weathers a defamation Lawsuit The result is far more than a memoir It s a courageous and essential blueprint on how to go toe to toe with the powers behind institutional abuse and protectionism At long last Macfarlane s experiences bring her to the most important realization of her life that only she can stand in her own shoes and only she can stand up and speak about what happened to her **Thatcher's Secret War** Clive Bloom, 2021-08-02 Scary but enlightening Christopher Stone
