Still Going Strong Janet Amalia Weinberg, 2012-11-12

It's terrible to get old. Life is all downhill after fifty. That's what our youth-centered culture may think but don't be duped. Selected as a finalist for 2006 Independent Publisher Book Awards, this book can change how you think about aging even make you feel good about getting old. A liberating change is happening, a change as momentous as the liberation movements of the 1960s and 70s. It brings respect for older people, appreciation for maturity and the promise of a more balanced culture from the Introduction by Margaret Karmazin and Janet Amalia Weinberg. Discover a new positive way of looking at aging with *Still Going Strong*. Memoirs, Stories and Poems About Great Older Women. This exuberant inspiring anthology celebrates the vitality of older women and shows them having adventures, facing loss, enjoying romance and feeling more capable and confident than ever. The 42 authors included in the collection know that life after middle age is not the diminished state dreaded by our youth-centered culture but rather a time of growth and fulfillment enriched by the wisdom of experience and perspective. Get a taste of the passion, wit and wisdom of some of these women. From *Why Vermont* by Elayne Clift: It was great not to be driven by achievement. I was learning the art of laid-back living. Spending a day writing or reading was heavenly and I was reminded of my freedom whenever a friend said, 'I'd give anything to be doing that.' From *Gray Matters* by Marsha Dubrow: Finally I have decided to enjoy being a gray. It links me with a powerful sisterhood complimenting each other on our gray badge of courage. A woman with dreadlocks resembling pillars of salt approached me on the street and said, 'You go, girlfriend. We're gray and we're proud and gorgeous. We smacked high fives.' From *Katherine Banning*: Wife Mother Bank Robber by Melissa Lugo: Crazy you say. Well, wait till you hit 90 and realize you still want to live that even though you're way past menopause you want another child and that even though your breasts make tracks in the mud you still want a lover and that even though your hands shake there are still things that you didn't get to do like going to the Olympics and bringing home the gold things you want to do that you will do. Then see what you're capable of. And you'll be perfectly sane. Senility: temporary insanity. It's all bull. Old folks know exactly what they're doing. One of the good parts about being an old fart is that you have a license to be loony. Tunes to live the wild way you didn't have the balls for before. At 90 you see your dignity's gone the way of dirty diapers and your life is heading the same way fast. You have nothing to lose except the moment. From *A Different Woman* by Joan Kip: My relationship with Seth is I tell him my great experiment. He calls me on every one of my tightly held protections and his pleasure in meeting my body is matched by my own freedom to respond. Ours is a relationship with no hidden agenda, no commitments. Our occasional evenings of uncomplicated delight are the intertwining of two desires who touch down and embrace one another knowing they will meet again sometime somewhere. And while sex is not absent from our meetings, it is rather my compelling ache to be touched and held and to touch and hold that pulls me back each time.

to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future New England Journal of Education ,1875 *Media Report to Women* Sheila Jean Gibbons,2001 The New England Historical & Genealogical Register and Antiquarian Journal ,1873 Grace Coolidge Cynthia D.
