Marly the Kid Susan Beth Pfeffer, 2015-01-06 Sometimes you just have to pack a suitcase and walk out the door Marly knows her older sister Kit is tall beautiful and outspoken everything Marly isn't But does everyone have to remind her of it all the time Since her parents divorce her mom hasn't had a single nice thing to say and even if she did she's always working So Marly packs her bags and catches the bus to stay with her dad She knows he'll want her and hopefully his new wife will too Ed and Sally are surprised to find Marly on their doorstep but excited to take her in and become a family They cook together and laugh together and no one ever shouts at anyone else a big difference from Marly's life with her mom Marly has kept quiet up until now which has given her a reputation for being well behaved But once she starts getting used to being treated like an actual person she begins talking about what's important to her She may not be able to stop and she may not want to

Breath of a Fallen Angel Damaris Chanza, 2025-11-07 To Begin Just a simple girl riddled with ambition destined to conquer the world until a man strips away her inhibitions She's been here before time and time again charmed by the love lore only to be heartbroken But this time she stays convinced something can change until she too starts to play and the roles are rearranged Soon a hostage to her own brain strangled by the grasp of love and hate Stability and commitment she craved but immorality is all he could demonstrate Confused by truth enamored by lies stifled by truth too torn to say goodbye With wavering strength grown from fights past will come a moment so tense she'll be aghast OK enough of that let's rewind to when summer and autumn blend With the scene set keep in mind if it's not okay it's not the end **Tomorrow at Noon**

Places Donald Shockley,2003-12 Don Shockley may be the only person in America who likes to wait He has discovered that active waiting opens the door to spiritual experiences that are often humorous as well as serious and deep He believes that the key to prayer is not in the act of asking but in the art of listening For more than twenty five years he has transformed the necessity to wait into an opportunity to look listen and learn More often than not this distinctive form of meditation has been practiced in urban environments waiting rooms of doctors and dentists on buses planes and trains in bakeries coffee shops and college cafeterias in libraries parks and bars These spiritual interludes have been captured in exceptionally vivid writing you can see what the author is saying When the late Howard Thurman one of America s foremost spiritual thinkers saw some of the early pieces included in this book he said they were precisely on target and should be shared Over the years since these Private Prayers in Public Places have been well received when read before various groups and at long last they are now available in print Lady at Luke 1:45 Marvelyn Pettigrew,2018-08-06 Are you an average good hearted person who has led
