Gaming the Vote William Poundstone,2025-09-23 Our Electoral System

is Fundamentally Flawed But There s a Simple and Fair Solution At least five U S presidential elections have been won by the second most popular candidate The reason was a spoiler a minor candidate who takes enough votes away from the most popular candidate to tip the election to someone else The spoiler effect is more than a glitch It is a consequence of one of the most surprising intellectual discoveries of the twentieth century the impossibility theorem of Nobel laureate economist Kenneth Arrow The impossibility theorem asserts that voting is fundamentally unfair a finding that has not been lost on today s political consultants Armed with polls focus groups and smear campaigns political strategists are exploiting the mathematical faults of the simple majority vote In recent election cycles this has led to such unlikely tactics as Republicans funding ballot drives for Green spoilers and Democrats paying for right wing candidates radio ads Gaming the Vote shows that there is a solution to the spoiler problem that will satisfy both right and left A system called range voting already widely used on the Internet is the fairest voting method of all according to computer studies Despite these findings range voting remains controversial and Gaming the Vote assesses the obstacles confronting any attempt to change the American electoral system The latest of several books by William Poundstone on the theme of how important scientific ideas have affected the real world Gaming the Vote is a wry expos of how the political system really works and a call to action *The Alcalde*, 1996-11 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

Dobie tells true stories of rattlesnakes and buried treasure Jodi Thomas finds romance in the oilfields **Conversations with Ellen Douglas** Panthea Reid, 2000 So when I went down to ask my aunts if it would be all right to publish *A Family's Affairs* they said it was okay so long as they didn't have to read it and if I would use a pen name This collection of interviews from three decades features one of the South's most prominent contemporary writers one of America's most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family's Affairs* to the late nineties and the publication of *Truth Four Stories I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it's just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas's string of new novels took her work forward into civil rights women's roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas's narrative sensibility and to the profound use of allusions in her work As she discusses *A Family's Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can't Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas's lasting body of powerful work It also provides the tools for the in-depth studies of her art which are sure to follow So when I went down to ask my aunts if it would be all right to publish *A Family's Affairs* they said it was okay so long as they didn't have to read it and if I would use a pen name This collection of interviews from three decades features one of the South's most prominent contemporary writers one of America's most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family's Affairs* to the late nineties and the publication of *Truth Four Stories I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it's just funnier

Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow
