The Love Teachings of Kama Sutra Vātsyāyana, 1999 *The Routledge Handbook of Translation and Sexuality* Brian James Baer, Serena Bassi, 2024-08-19

The Routledge Handbook of Translation and Sexuality questions what it would mean to think of sexualities transnationally and explores the way cultural ideas about sex and sexuality are translated across languages. It considers how scholars chart the multilingual rise of the modern sexual sciences in the nineteenth and twentieth centuries, how translators, writers, and readers respond to sexual modernities, and to what extent the keywords of queer social movements travel across borders. The handbook draws from fields as diverse as translation studies, critical multilingualism, studies in comparative literature, European studies, Slavic studies, Middle Eastern studies, Latin American studies, and East Asian studies. This pioneering handbook maps out an emerging brand of women's gender and sexuality studies that approaches sexualities as translational formations. Divided into two parts, the handbook covers: Theoretical chapters on the interdisciplinary dialogue between translation studies and queer studies; Empirical studies of both canonic and minor scientific, religious, literary, philosophical, and political texts about sex and sexuality in translation across a variety of world languages. With 20 chapters written by leading academics from around the world, *The Routledge Handbook of Translation and Sexuality* will serve as an important reference for students and scholars in the fields of translation studies, applied linguistics, modern languages, and women's gender and sexuality studies.

The Book of Love James McConnachie, 2008-05-27

An engaging, enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual. The Kamasutra is one of the world's best-known yet least-understood texts; its title is instantly familiar, but its actual contents are widely misconstrued. In the popular imagination, it is a work of practical pornography, a how-to guide of absurdly acrobatic sexual techniques. Yet the book began its long life in third-century India as something quite different: a seven-volume vision of an ideal life of urbane sophistication, offering advice on matters from friendship to household decoration. Over the ensuing centuries, the Kamasutra was first celebrated, then neglected and very nearly lost, until an outrageous adventurer introduced it to the West and earned literary immortality. In lively and lucid prose, James McConnachie

provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived *Tibetan Arts of Love* Dge-'dun-chos-'phel (A-mdo),1992 The sixty four arts of love making are lucidly presented **Kama Sutra & Tantric Sex** More Sex More Fun Book Club,2025-03-11 Do you want to spice up your vanilla sex life with some ancient lovemaking The ancient generations knew what they were doing They focused more on creating a sense of meaning and arousal around sex than just the daily in and out in and out Two of the most known ancient sexual practices are Tantric Sex and Kama sutra This 2 in 1 book contains Tantric Sex Introduction Handbook To Tantra and Kama Sutra The History About Kama Sutra And Ancient Love Making Techniques and will arm you all you the basics of Tantric Sex and Kama sutra including the basics of tantric sex tantric sex and its history it s a 5000 year old practice how to get started with tantric sex basic positions with illustrations the history of the Kama sutra the different styles of Kama sutra getting started with Kama sutra basic kama sutra sex positions and much more After learning tantra and kama sutra some men and women experience multiple long lasting orgasms for the first time in their lives Are you next **Erotic Art** Eugene C.
