Love Address:

Book of Addresses Peggy Kamuf, 2005 This book consists of a series of essays that all turn around questions of the address of speech or writing They argue and demonstrate that meaning is not just a matter of the active intention of a subject for example speaker writer or other signatory of a meaningful act but also of its reception at another s address The book s main concern is therefore with a theory of meaning and of action that is not centered on the intentional self conscious subject The fifteen chapters explore this problematic within three broad areas love jealousy and sexual difference fiction or literature and political or public discourse The book engages principally with contemporary French thought and includes important new readings of work by Jacques Derrida H l ne Cixous Maurice Blanchot and Jean Luc Nancy *Addresses* Henry

Drummond, 2019-09-25 Reproduction of the original *Addresses* by Henry Drummond **Addresses to the German Nation** Johann Gottlieb Fichte, 2013-03-15 In the winter of 1807 while Berlin was occupied by French troops the philosopher Johann Gottlieb Fichte presented fourteen public lectures that have long been studied as a major statement of modern nationalism Yet Fichte s *Addresses to the German Nation* have also been interpreted by many as a vision of a cosmopolitan alternative to nationalism This new edition of the *Addresses* is designed to make Fichte s arguments more accessible to English speaking readers The clear readable and reliable translation is accompanied by a chronology of the events surrounding Fichte s life suggestions for further reading and an index The groundbreaking introductory essay situates Fichte s theory of the nation state in the history of modern political thought It provides historians political theorists and other students of nationalism with a fresh perspective for considering the interface between cosmopolitanism and republicanism patriotism and nationalism

Fitness Fiesta! Petra R. Rivera-Rideau, 2024-08-23 As a fitness brand Zumba Fitness has cultivated a devoted fan base of fifteen million participants spread across 180 countries In *Fitness Fiesta* Petra R Rivera Rideau analyzes how Zumba uses Latin music and dance to create and sell a vision of Latinness that s tropical hypersexual and party loving Rivera Rideau focuses on the five tropes that the Zumba brand uses to create this Latinness authenticity fiesta fun dreams and love Closely examining videos ads memes and press coverage as well as interviews she conducted with instructors Rivera Rideau traces how Zumba Fitness constructs its ideas of Latinx culture by carefully balancing a longing for apparent authenticity with a homogenization of a marketable south of the border style vacation She shows how Zumba Fitness claims to celebrate Latinx culture and diversity while it simultaneously traffics in the same racial and ethnic stereotypes that are used to justify racist and xenophobic policies targeting Latinx communities in the United States In so doing Rivera Rideau demonstrates not only the complex relationship between Latinidad and neoliberal postracial America but also what that relationship means for the limits and possibilities of multicultural citizenship today **As you Like it** William Shakespeare, 2014-01-10 This annotated version of *As you Like it* one of the Bard s wittiest and bawdiest plays provides a detailed guide to its Elizabethan language and its references It restores the drama to the language of the First Folio of 1623 including the original spelling

capitalization and punctuation Practical annotation provides insights into the puns allusions and word play that characterize all of Shakespeare's dramas Appendices enumerate the typographical errors that have been corrected in this version in addition to offering stage directions from the First Folio lineation amendments and original character tags This restorative no nonsense approach will appeal to both aficionados and newcomers to Shakespeare's plays *Origins of the Dream* W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W. Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J. Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry

Directions of a Pastoral Lifetime William Flewelling,2015-03-20 I had been asked to do a Bible study when I began my first church out of seminary I agreed so long as I could do it my way In the fourth year of my work at Hilltop Christian Church in Mantua Ohio I chose to do the Song of Solomon known in many circles as the Song of Songs I was guided in the development in part by the then recent anchor Bible commentary by Marvin Pope The study influenced me greatly In the

next decade or so I indulged a variety of works on the Song of Songs largely but not exclusively in the Christian mystical tradition In 1997 I found a way to work on a devotional development from the Song of Songs resulting in a work I found satisfying From those two major efforts a few minor ones arose I have collected here the ways in which the Song of Songs has woven into my work as a pastor Occasional Sermons and Addresses of Dr. C.F.W.
