PhD Oliver,H. Norman DMin Wright,2018-10-16 Did you know that it is okay to get angry In fact anger is a proper and godly response to some of the challenges we face While the Bible admonishes believers to be long suffering it also shows how anger can be a vital tool in God s hands for bringing about needed change Written specifically for women and counselors this insightful and practical book corrects the popular notion that good Christian women should never get angry not for any reason not at anyone not ever Foreword by Lisa Bevere **Mentoring Engaged and Newlywed Couples Participant's Guide** Les Parrott,Leslie Parrott,1997 At head of title Center for Relationship Development *The Marriage Collection* ,1989 **Questions Couples Ask** Les and Leslie Parrott,2010-06-15 From communication conflict and careers to sex in laws and money Questions Couples Ask is your first resource for help with the foremost hurdles of marriage Drs Les and Leslie Parrott share cutting edge insights on the 100 top questions married couples ask Whether you want to improve your own marriage or nurture the marriages of others Christianity s premier husband wife marriage counseling team equips you with expert advice for building a thriving relationship How can I be honest without hurting my partner s feelings What do we do when one of us is a spender and one of us is a hoarder What can we do to protect our marriage against extramarital affairs How can we be more spiritually intimate as a married couple **The Sociology of Emotions** Jonathan H. Turner,Jan E. Stets,2005-03-14 All social relations involve emotional responses from the simplest face to face encounter through the mobilization of social movements to the commitments that individuals develop for culture and society The social world is thus dependent upon the arousal of emotions and equally significant conflict and change in societies is ultimately driven by emotional arousal Thus it is important to understand how human emotions influence and are influenced by the social world This understanding takes us into the sociology of emotions that has emerged as a distinct area of inquiry over the last thirty years *Celibate Marriages in Late Antique and Byzantine Hagiography* Anne P. Alwis,2011-10-27 An exploration of the phenomenon of celibate marriages in Byzantine hagiography **Working-Class Courtship, Marriage, and Divorce in Scotland, 1855-1939** Eleanor Gordon,Jeff Meek,Katie Barclay,2025-10-25 This is the first book length study of the history of working class courtship and marriage in Scotland from the establishment of civil registration to the introduction in 1939 of legislation which abolished irregular marriage and introduced civil marriage Adopting a life course approach the book explores the social economic and cultural contexts of romantic partnerships from courtship through to marital or family dissolution

Drawing from a wide range of sources that capture official accounts and discourses on the one hand and the testimony and experience of working class people on the other the book offers a uniquely broad and textured view of courtship and marriage in this period In so doing it advances recent historiographical debates surrounding marriage in the Anglophone world particularly the mutability of love and whether the late nineteenth and early twentieth centuries constituted a social and cultural turning point for the working classes in terms of choice of marriage partner the nature of the marital relationship and the parent child relationship The book also engages with debates about extra marital sexual activity in the nineteenth and early twentieth centuries whether the family was more or less stable than the contemporary family and the different ways that marriages broke down before the advent of divorce reform This has important implications for wider European and North American historiography and raises timely questions about the primacy of the traditional family in policy and public discourse
