My Dearest Love J. B. Carpenter, 2009-08. *My Dearest Love* is a Romance and Adventure Novel that is based on a true story. The main character, Rob, is working aboard ship and while sailing around the world, he is searching for his Soul Mate or what he calls My Dearest Love. There are many types of relationships discussed in this book, such as Shipmates, Co-Workers, Romantic Encounters, and how an American Black Man is received in many of the Third World Countries. Just how far a person would go just to find True Love is clearly expressed in this story. What it feels like to be betrayed in several ways is also expressed, the harsh reality of how cold and lonely the heart feels when being betrayed, how it feels to always just miss when it comes to Love, Happiness. Our story brings to life the empty feeling of never being able to find that which you search after, the most True Love. The daily struggle of the women and girls of the Third World Countries is expressed. Most of them are jobless, homeless, and dreaming of a better life. Rob doesn't mind looking for his Dearest Love in these Countries; he feels that all women of the world should be treated like the most precious gift that God ever made just for man. Rob treats these women with the same respect that he has for all the women of the world. The thrill of visiting a country for the very first time is expressed in our story, and how people are all the same, no matter their color or what country they live in. There are so many thoughts that go through a Sailor's mind while spending weeks at sea with nothing to make you smile but memories of the good times in the last port.
