

Love Forever More

I promise to hold you in my heart

Keep you in my prayers

Fight with you every step of the way so that you can reach your
highest potential

Love you for who you are

Be there for you whether you need me or not

I will always love you no matter what.

You have my heart...literally.

There's not a day that goes by and I don't think of you.

You have helped me realize what I truly want and what is the right
thing for me to do.

Whether we're just friends....or we are together,

I just thought i'd let you know what's in my heart and my soul.

Forever yours.

B. Knight,2004-05 A journey that began as two lonely people who were beaten and battered by life eventually produced this book of love poetry and songs once the two paths merged into one Sunflower Andrew Collins,2011-08-23 This collection of poetry is a reflection on life I created some of these from the age of 10 up to my current age 20 I am aware that my naivety to some issues may be reflected in the meaning of some of the poems but it is this naivety which propelled me into mastering the art of poetry and understanding how a few words can change someone s life I hope that this book will leave you questioning something about your life and from that question you will find the answer Inspirations link to Shakespeare Duffy Byron the pronunciation of words the ambiguity to a sentence which can catapult any emotion at any time and finally the linguistically beautiful style to which you read them Through manipulating my emotions and views of life from a young age I feel I have been able to pen poems which are relevant and hard hitting I find that if your own work can move you to tears or laughter then there is a gem which needs to be discovered This book highlights issues which the media tip toe around child abuse murder reasons for war social mobility ethnicity sexuality and rape However this book also looks at the highs of society love personal wealth joy success and acceptance to our own faults I am grateful to this collection even though I created them as I feel deep down they created me The messages in the book will allow you as the reader to become inevitably the writer possibly wanting to indulge to the point you feel this is aimed at you Many poems in this collection have totally different styles meanings and impacts to the last Although this may not be considered the most consistent of reads I have purposely created an ecliptic collection which reflects the constant changes of life This is a somewhat biography of the evolving world as I grew in it I strongly feel this has never been done and as I read them I can see how I have strengthened as an individual in society The Child the first

one has always been considered as a reflection of my life however it is the opposite Even at that age I was able to put myself into another's situation and saw a poem being penned which I would always look back on to draw inspiration My Hero was dedicated to all those who have lost their life trying to create a better world not necessarily in the war This book is strong minded and hard hitting I am very certain of myself and this is dominant in the poetry This strength creates what others may not feel comfortable reading but deep down know that these issues exist and will carry on existing unless real action is taken A mixture of political and emotional subjects and sometimes both intertwined this book is aimed towards anyone in the general public However the subjects may not be apparent to everyone as some are representative of my age and not of my surroundings Overall I hope that the reader gets the satisfaction reading my poetry as I did writing it The magic of poetry I feel has faded greatly within education and possibly society I feel that the national curriculum needs to establish a better way of understanding what hundreds of years of poetry has given us to date I believe in myself as a poet and as a person but most importantly I believe in this book as a collection of great poetry which I know will leave you wanting to read more Thank you for taking the time to read this descriptor and I hope you enjoy the book Yours Andrew Collins

Poems Of A Musical Flavour: Volume 4 Tiara King, 2018-08-13 In 1993 I was 19 years old and still living in South Australia but then what else was I going to be doing 1993 is split into two parts as well I beat my previous year's record and wrote 201 songs so cutting it into two parts makes for easier reading The book also contains some witty one liners and anecdotes about what was happening who I wanted to be or who I had a crush on They are not perfect nor meant to be they're just the musings of a young teenage girl with crushes and dreams Here's 1993 part 1 Enjoy

Poems Of A Musical Flavour: Box Set 4-6 Tiara King, 2018-09-19 Music artists were in my life and I started to analyse lyrics which I guess led me to analyse books Little did I know over the seven and a bit years I wrote that it was setting me up for bigger and better scribbles namely novels over 500 pages and 125 000 words and novellas short stories and non fictions By the time 2002 rolled around I was 28 years old and wrote one song That's all I wrote And I'm surprised I wrote that because I hadn't written in six years That was the last song and all of them were my practice for story telling in four verses a chorus and a bridge for much bigger and better things Covering a wide range of topics from 1993 2002 or volumes 4 6 mostly love I plagiarise myself a lot so have a good laugh especially over the witty one liners and anecdotes about what was happening who I wanted to be or who I had a crush on They are not perfect nor meant to be they're just the musings of a young teenage girl with crushes and dreams Enjoy

The Wind at Her Back Amity Hotchkiss, Andy Peri, 2023-10-03 May the road rise up to meet you May the wind be always at your back begins a traditional Irish blessing This book is a biography of a woman who immersed herself in nature inspired by her love of the planet Earth for which she had a deep reverence and fierce dedication

Deb Hubsmith's legacy lives on in these stories of how she helped change the landscape of human powered transportation both in her own community and nationwide. She brought her uncanny ability to weave together the perfect tapestry of political and community support to get major infrastructure projects completed in Marin County. Her work continued to expand with her crucial contribution to bringing Safe Routes to School from a single school in the San Francisco Bay Area to schools in all fifty states. Outside of her work, Deb's was an inspired life of yoga and dance, community involvement and spiritual practices which helped guide her in ultimately letting go of everything she held dear. This book sheds light on her courage and resilience in facing a terminal illness. Indeed, the road did rise up to meet Deb and the wind held her with grace, wisdom and beauty, carrying her to her very last breath.

The Solace Thorn Jodde Maree, 2011-12-14 John McGuckin

Jodde Maree's poetry is a distinct journey through the heart of life. The journey takes the reader through many twists and turns, always ending at life's one true love and affection for all. Shallow the mind that finds no beauty in living life's dreams.

Jodde Maree in her poetry captures all the emotions in life. McKinley Cooper: The imagery and language of this work is rich and weighty, stunning.

Athena Artemis: Breathtaking.

Terrence Michael Sutton: I find her work so wonderful.

Kevin Gorman: Sublimely crafted.

Shina Farad: You are a gifted writer of prolific verse.
