The "special Relationship" Aïssatou Sy-Wonyu, Antoine Capet, La relation spéciale entre le Royaume Uni et les tats Unis Colloque tenu l universit de Rouen 8 et 9 nov 2002 Le colloque a trait de la question de civilisation britannique de l agr gation d anglais 2003 2004 La relation spéciale Royaume Uni tats Unis 1945 1990 entre mythe et r alit Les organisateurs ont voulu donner une dimension v ritablement internationale et pluridisciplinaire au colloque en y invitant des personnalit s de notori t mondiale dans leur domaine la juxtaposition de leurs analyses et la confrontation de leurs interpr tations appuy es sur les meilleures sources apportent une contribution remarquable au th me d battu Love-hate Relations: a Study of Anglo-American Sensibilities Stephen Spender, 1974 Love-hate relationships S. Spender, 1974 America's 'Special Relationships' John Dumbrell, Axel Schäfer, 2009-09-10 This unique volume seeks to offer an original collection of essays on the theme of America s special relationships The essays vary in their focus some are primarily historical some are more contemporary All consider the quality of specialness in the context of America s relationship with particular countries including the United Kingdom Canada Australia New Zealand Holland Russia Iran and Israel *Edwardian Bloomsbury* S. Rosenbaum, 2016-07-27 This is the second volume of a formidable enterprise and part of a series of publications by the same author that may entitle him to the position as the leading scholar of the Bloomsbury Group Rosenbaum has managed to write with freshness and insight about Forster s novels no matter how much they have been analyzed before The next volume will deal with the effect of that exhibition upon the Group s writing and much more I am sure of its early literary history The work is eagerly awaited Peter Stankys English Literature in Transition 1880 1920 Edwardian Bloomsbury is a continuation of the early literary history of the Bloomsbury Group begun with Victorian Bloomsbury but it can also be read independently as an account of the Group s interrelated writings during the first decade of the twentieth century *Sylvia Plath* Linda Wagner-Martin, 2013-04-15 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 *The Spectator*, 1921 A weekly review of politics literature theology and art Emotions in American History Jessica C. E. Gienow-Hecht, 2010-04-01 The study of emotions has attracted anew the interest of scholars in various disciplines igniting a lively public debate on the constructive and destructive power of emotions in society as well as within each of us Most of the contributors to this volume do not hail from the United States but look at the nation from abroad They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history In particular they focus on emotions in American history between the 18th century and the present in war in social and political discourse as well as in art and the media In addition to case studies the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects **The Critical**

Reception of Hemingway's *The Sun Also Rises* Peter L. Hays, 2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway's first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in it As such it shows what has interested critics how they have reinterpreted the novel and how they have seen the characters playing different roles Thus the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us

America Embattled Richard Crockatt, 2012-10-12 What causes Anti Americanism and where are its historical roots What is the impact of 9 11 on America's sense of itself and its role in the world Is America paradoxically a victim of its own political and economic power This book seeks to understand the terrible attacks of September 11th within a broader historical political and ideological context Rather than drawing on simple clash of civilisation oppositions the author argues that it is important to have an awareness of the complex historical processes which influence America's sense of itself and its changing view of the world How the world especially the Muslim world views America The changing nature of international politics and the global system since the end of the cold war Drawing on a wide range of contemporary and historical sources Richard Crockatt has written a balanced subtle and highly readable book which provides genuine insight into American foreign policy anti Americanism and Islamic fundamentalism It will be important reading for all those seeking to understand the background to the war on terror
