The population of older adults living longer and healthier lives is increasing As age increases the likelihood of single status increases Without someone to offer peer intimacy loneliness becomes a factor for decreased well being Research is needed to gain insight into later life romantic love and commitment to offer support for those seeking companionship love and intimacy to live more generative and robust later lives ameliorating the physical and emotional effects of loneliness Women are more likely to be alone in late life and research is needed to explore experiences with the phenomenon of love in later life from their perspective This study employed a qualitative transcendental phenomenological methodology gathering data from interviews observations and documentation in order to provide an interpretive description of all the women in the study with the shared experience of love and commitment to a new partner in later life Aspiring in Later Life Megha Amrith,Victoria

K. Sakti,Dora Sampaio,2023-07-14 In our highly interconnected and globalized world people often pursue their aspirations in multiple places Yet in public and scholarly debates aspirations are often seen as the realm of younger mobile generations since they are assumed to hold the greatest potential for shaping the future This volume flips this perspective on its head by exploring how aspirations are constructed from the vantage point of later life and shows how they are pursued across time space and generations The aspirations of older people are diverse and relate not only to aging itself but also to planning the next generation's future preparing an ideal retirement searching for intimacy and self realization and confronting death and afterlives Aspiring in Later Life brings together rich ethnographic cases from different regions of the world offering original insights into how aspirations shift over the course of life and how they are pursued in contexts of translocal mobility This book is also freely available online as an open access digital edition Download the open access book here Love's Tangled

Embrace: A Journey Through the Delights and Dangers of Romance Pasquale De Marco,2025-07-10 In this captivating exploration of love we embark on a journey to understand the allure the challenges and the enduring power of this universal emotion Through insightful analysis and personal anecdotes this book delves into the depths of human relationships revealing the transformative nature of love and its profound impact on our lives Love is a universal desire a longing that resides in the hearts of all humans It is the driving force behind our relationships our families and our communities Love has the power to transform lives to bring joy and fulfillment and to heal wounds It can inspire us to acts of great kindness and compassion and it can help us to overcome adversity Yet love is not always easy It can be elusive fragile and even painful We

may experience heartbreak disappointment and rejection in our pursuit of love But despite these challenges love remains an essential part of the human experience It is something that we all need and crave and it is something that we should never give up on This book explores the different types of love from romantic love to familial love to platonic love It examines the role of love in our lives and it discusses the challenges and rewards that come with being in love It also explores the ways in which love can be expressed and celebrated and it considers the impact that love has on our physical emotional and spiritual well being Through this exploration this book aims to provide readers with a deeper understanding of love and its profound influence on our lives It seeks to inspire readers to love more fully more deeply and more unconditionally and to encourage them to celebrate the transformative power of love in all its forms This book is an invitation to join a journey of self discovery and reflection on the nature of love It is a guide for anyone who seeks to understand this complex emotion and to cultivate more love in their own lives and in the world around them If you like this book write a review
