Love Is A Hunger:

Why Men Hurt Women and Other Reflections on Love, Violence and Masculinity Kopano Ratele, 2022-09-01 Using conversations observations and reflections psychologist Kopano Ratele meditates on love violence and masculinity This book seeks to imagine the possibility of a more loving masculinity in a society where structural violence failures of government and economic inequality underpin much of the violent behavior that men display Enriched with personal reflections on his own experiences as a partner father psychologist and researcher in the field of men and masculinities **Why Men Hurt Women and Other Reflections on Love Violence and Masculinity** is Kopano Ratele s meditation on love and violence and the way these forces shape the emotional lives of boys and men At the core of these critical and deeply insightful texts is the question of why men hurt women they love Ratele contends that many men in our society suffer from a painful unrecognized yet consequential love hunger that sets in during boyhood This need for love may lie at the root of some of the male violence that damages the lives of women children and men themselves Blending academic analysis and rigor in a readable narrative style Ratele illuminates the complex nuances of gender intimacy and power in the context of the human need for love and care While unsparing in his analysis of men s inner lives Ratele lays out a path for addressing the hunger for love in boys and men He argues that just as the beliefs and practices relating to gender sexuality and the nature of love are constantly being challenged and revised so our ideas about masculinity and men s and boys capacity to show genuine loving care for each other and for women can evolve

The Mark of Cain J. Reid Meloy, 2013-06-17 The Mark of Cain makes available for the first time the accumulated psychoanalytic understanding of the psychopathic mind Editor Reid Meloy a leading authority on the psychology of the psychopath has brought together in a single collection the most historically important psychoanalytic papers on the psychopath and delineted their continuing relevance to contemporary understanding According to Meloy two theoretical traditions flow into the psychoanalytic understanding of psychopathy The first tributary focuses on the early development of the psychopath in order to illuminate how a profound alteration in self regard leads both to a denigration of the other and to an impulsive search for gratification in the present The second tributary seeks to locate the psychopathic miscarriage of human potentiality within analytic theories of personality structure and clinically grounded differential diagnosis Meloy presents the major contributions associated with both of these traditions Included within this body of literature are the original formulations of concepts that have long since become part of the psychoanalytic nomenclature the affectionless juvenile offender the diagnostic significance of affect hunger the behavioral consequences of superego lacunae the recourse to promiscuous identification in the impostor and the paradoxically lethal lure of malignant narcissism Of special interest are Meloy s historical notes to each chapter and two section introductions the latter major essays in their own right The explosion of empirical research on psychopathy over the past two decades masks the fact that much contemporary work in this area is grounded in the clinical formulations of leading psychoanalysts of the twentieth century The Mark of Cain rescues this intimate understanding of the inner world of the psychopath and thereby contributes to clinical realism in the face of deception manipulation exploitation and even frank dangerousness **Without Rest** Daniel Strasel, 2020-09-21 A tale of love and madness When he confronts the truth a lovesick god has all of his dreams turned into nightmares In a moment of
